Please drop off your items in the Golf Clubhouse Foyer. Deadline is by December 12th. Thank you!

Fur Babies in the Animal Shelters

Let's not forget our furry little friends this holiday season. Old towels, quilts, blankets and pillow cases, will make nice beds for them. So if you are cleaning out your closets.....**We thank you.** Remember newspaper, cleaning products and **canned or dry Dog or Cat food** is always a nice treat for the homeless pups and kittys.

Clubhouse Decorations

The staff and management invite you to stop by the clubhouse and see the beautiful and festive holiday decorations.

Ladies League Halloween Costume Day 2022

It was a cool, misty, very cloudy morning. Just the type of weather that would bring out all sorts of players this close to Halloween. Playing today were Farmer Welsh, Amelia Earhart Stevens, in a dashing total black outfit with pink hair Porter, Beautiful Indian Princess Means, Spooky Holsinger, creepy skeleton with white face and green hair Spitler, Dodson's ghostly friend (only white shoes could be seen), writer/reporter Hughes, and our own one and only King Richard.

TURF TALK - John Burns, GCS

Turf Talk November 18, 2019

Turf Talk November 18, 2022

This year we have moved quickly from fall to below average winter temperatures. A few early frosts were followed by warmer conditions, resulting in an extended growing season for our bermudagrass fairways and tees. Much of our remaining bermudagrass turf is still green as of this writing.

As mowing comes to an end, we turn our focus to the remainder of leaf removal and our winter project list. Our initial project will involve pond bank and native area trimming and removal. This annual practice allows for improved course visibility and an increase in sunlight and air movement to the surface. Additional sunlight improves plant photosynthesis, and air movement helps to impede disease development. Bunker edging is also underway and will be completed shortly. Our effort to control mole activity on green 9 and tees 5 and 14 has met with partial success. Activity on 9 and 14 has been curtailed, but 5 tee damage persists.

We will continue remediation efforts as necessary to control these pests. With the holidays rapidly approaching we hope you get the chance to take a break and come out to the course. Looking forward to seeing you then!
