## **From The Golf Pro** *Steve LITER PGA*

Welcome to the 2022 golf season. We have a full range of golf activities for men, women, couples, and juniors including the PGA Junior League. We are now open for registration for the PGA Junior League. The PGA has created a new website and if anyone needs assistance please let me know.

Opening day for mens, womens, and couples is being finalized and will get those schedules as soon as possible.

The spring is a great time to learn more about the golf swing and if I can help please book a lesson with me. If you can improve just a little the game will be more enjoyable for you.

Range memberships are offered again this year and hope you will take advantage of the reasonable fees.

Small golf outings are essential to the club's business. If I can help facilitate your company or group outing please contact me direct.

It is great to be back again this year and I hope to see all of you soon at HCC.

Best Wishes,  
Steve LITER, PGA
