WELCOME

We are excited to announce that we have hired a new **Club Manager**. Her name is **Jeana Shepard** and has officially started as of April 19th.

Jeana has 16 years of management experience; most recently at the Quincy Herald Whig. She is from Hannibal and conveniently lives very close to the Club! She is well versed in staff training and development, coaching staff, she's great at multitasking, sales reporting, schedule-management and she is member focused among other management skills. She's worked in management at the Whig and prior to that at Ayer's Appliance before they closed. She is very interested in long-term employment and has great people skills.

We're looking forward to welcoming her to our team and to our members. We hope to schedule a welcome reception for her very soon and we will let you know when that is. We hope that all of our members will attend and help us welcome her.
