COURSE UPDATES *from Devin Cashman*

The golf season is, well, kind of here. As soon as Mother Nature chooses to cooperate we will be ready with a new look pro shop and plenty of merchandise options for our members. We will begin regular hours in April. In the meantime, I will be on hand every day that golf seems possible, and even on most that it is not. Please feel free to call or text me at 217-257-2221 if you're planning to play and the weather is questionable. Beginning in April I will send periodic group emails with pro shop and golf updates. If you would like to be included, please email me at golfpro@hannibalcountryclub.com **Also, you may wish to sign up for golf text alerts.** This will be our primary means of reminding members of events and weather conditions that could impact play. **Simply text HCC to the number 41400**, then follow the prompts to opt in the golf group. I look forward to seeing everyone in the shop and on the course.
