Re: Clubhouse Renovation

Thank you for your continued patience and support throughout the 2025 season while the Clubhouse renovations have been taking place.

The temporary operations are scheduled to move back into the renovated space on Wednesday, October 8, 2025 on or about 11:30am. It is anticipated that a 15 – 60 minutes interruption of services will occur, including phone, internet and credit card services.

Please contact the team from New England Golf Corporation or myself with any questions or concerns. We will be planning a ribbon cutting event to kick off the 2026 season.

Thank you for your understanding.
