Excitement is coming to Canyon Lakes

The owners of Canyon Lakes are starting quick with beginning improvements. We are going to be looking at a new clubhouse, remodeled cart barn for our carts as well as other improvements around the facility. Golf Universe will be moving from its current location on Edison Street to Canyon Lakes in

place of the current cart barn that houses the Canyon Lakes carts. A beautiful new store attached to a practice green and range to try out the latest and greatest golf equipment. New concrete paths starting on top of clubhouse area and reaching down the hill on holes 1, 9, 10 and 18. A very nice face

lift to greet the players as they start and even finish their rounds. This amazing plan will be revealed when

it is final. When all is said and done, this will be a place customers will want to play and call home. An already

great property will now climb the ladder to become one of the best in the entire Northwest.

2025 Memberships Now Available

2025 Memberships:

Monthly passes will have no joining fees and will be collected on the first of every month starting this January.

For those that are current members paying monthly, you will have 2 payments coming up this next month. Your 2024 payment will be on January 10th and your 2025 starting payment will be due on the 1st or when you sign up for 2025 membership.

The biggest change to memberships are that you have to sign up for either a twelve month pass or a six month pass. The six month pass will be from May 1 to October 31. We have named that the *Prime Season Pass* because you are using the prime months and not having to pay for the other months.

The *Full Season Pass* will be from January 1 to December 31, 2025. This pass is for the entire year.

Both of these passes can be paid monthly. The only restriction is that once you have signed up, you will need to continue the payments until the membership runs out. There will be no prorating or stopping if you sign up for the monthly plans.

All yearly passes will see a significant savings for paying the entire pass at one time. See us in the Golf Shop to answer any questions.

Please stop by the Golf Shop

to see pricing for all of our memberships. We will have price sheets ready to hand out and discuss options for all needs. We are committed to continuing the best customer service and course conditions for all players at Canyon Lakes. You will see improvements immediately in the course as we strive to have the best course in Washington! Change is sometimes hard, but we think this will enable us to service everyone that plays Canyon Lakes.

Tee Time Availability at Canyon Lakes

Make sure to call in for your tee times and understand the mornings are getting squeezed pretty hard. We will do as much as possible to accommodate as many members and public players as possible.

If you don't need your time please let us know the day before so we can make it available to other players.

This time of year we don't have as many tee times available and it makes for a very packed tee sheet.

Please exercise patience when it comes to frost delays.

We will begin using the website to announce delays and when we are planning to start play. Go to www.canyonlakesgolfcourse.com

and the hover ad will appear with information when we are on a delay or when we will open the course.

We are asking that everyone please use the website and not call in to ask the staff. We have a large volume of calls during these hours and it makes getting to each call difficult.

We again appreciate your help and patience.

Tee Time Availability at Canyon Lakes

We want Canyon Lakes Golf Course to have a strong golf membership but also be more available for public play. As a result, there will be a new policy to open our tee sheet up for more public play.

Members will be able to reserve tee times Monday through Thursday 10 days in advance. However there will be a change Friday, Saturday

and Sunday from 9AM to 12PM as non-members will have 14 days in advance to reserve tee times and members will have 3 days in advance during the 9AM to 12PM slots.

We will continue to work with members to make sure no times go unused. Members will have the ability to reserve tee times 10 day in

advance for all other tee times Monday through Thursday, but not between 9AM and 12PM on Friday, Saturday and Sunday.

All this will take effect on January 1, 2025. Nothing changes this year.

Golf Now

Our New Online Tee Time Provider

Our tee times will now be booked through **Golf Now** starting as soon as December 10th. This will have several advantages for both the customer and the players using the website.

▼ It will ask for a credit card for everyone.

▼ Members are currently not able to make online tee times. We are hoping to have this feature up and running as soon as possible.

▼ All other players will be charged through the website to make it easier at the time of check in.

This new system will allow players to book all of their times online, while showing all the times both available and reserved.

GPS and Corporate Passes Available

We would like to thank our GPS partners for their support over the past year.

Call Matt Mandell or Nick Atkin for GPS Corporate Advertising passes at (509) 582-3736. We only have 18 available for 2025. Both GPS and Corporate passes have access Monday - Thursday availability all day. GPS Corporate Advertising passes also have access Friday - Sunday during Twilight hours.

2024 New Years Eve Party

The Canyon Lakes New Years Eve Party Is Back!

Cost will be \$35 per person (\$25 Members).

Appetizers will be included from 8PM to 10PM.

We also will have a champagne toast at midnight that is included with the purchase of your ticket.

Lon Martin or better known as the "Lonster" will be our DJ again. If you have requests, make sure to get them in early.

The bar will be open until the party starts to begin winding down at 12:15AM. We will have games with prizes each hour. We encourage members and non-members to join in on the fun. Matt Mandell will be the MC and is looking forward to ringing in the new year with all of you.

From the Maintenance Crew

The maintenance crew has started the two cup policy until spring. They will have two cups cut into the greens so that we may move pins periodically when we have frost and at times frozen conditions. When the ground freezes it is impossible to move hole locations. Pins will not be moved as much during the regular season due to frozen conditions and not as many players. Reminder to players playing, if the capped cup location interferes with your line of putt, you get the nearest point of relief and not nearer the hole to move your ball. This is only when your ball is on the putting green. Chipping does not get relief. Ball must be on the green.

Please stay on all cart paths where they are provided and on all cart paths this time of year. Please keep all four tires on the cart path. Please make sure to replace divots or sand them. Also please help with ball marks as much as possible and stay out of frost covered areas with carts at all times. To ensure the best results it is important to keep golf carts away from approach areas to greens. Blue flagged carts, no cart should ever go between a green and a bunker, or between the green and lake on number 9. This will be strictly enforced and understand we need to be consistent with everyone. It might be a few more feet away, but laziness really causes a lot of damage. If everyone does their part, we will see a difference. With most groups going out with member play in four carts it creates a lot of wear on turf during a time it is not growing. The Golf Shop will be talking to those that violate cart usage rules. If you have questions, please see Matt Mandell in the Golf Shop. As for the canal work needing to be completed, we will find out more after the canal is emptied and the KID lets us know more information.
