Construction is on Schedule and Looking More Like the Finished Product Every Day

The facilities are coming along very quickly as everyone has seen. The target date for **Golf Universe** to open is early December. Again, that is the target schedule. Nothing set in stone yet. The new facilities will be first class and state of the art.

The golf shop
will have anything
golf related
that a customer
could want.

For the adult golfers, it will be like having a candy store to visit each day you play. It will have anything golf related that a customer could want.

Accessories, clothing, clubs and any kind of ball you could wish for will be here and

available to be purchased. To say we are excited is a real understatement.

Kennewick Irrigation District Now in Control of All Homeowners Irrigation Systems

KID has agreed to service the Canyon Lakes irrigation system that previously was the Canyon Lakes Water Company. This includes all homeowners that live North or below the canal, and a few that live above or South of the canal.

You will need to contact them for any issues regarding lines, pressure or emergency shut off. They have been fantastic to work with from our end and will be a better fit going forward for all homeowners.

When they have completed

revamping the system to have water from their pump, it will also help to create better pressure and even cleaner water.

Please have patience as they learn their new role and complete the takeover of the system.

Golf Now has become our new online provider for tee times

Our online tee times are now available to be booked through Golf Now. This will have several advantages for both the customer and the players using the website. It will ask for a credit card for everyone. Members will not be charged for any times made unless they become a no-show issue. All other players will be charged through the website to make it easier as you check in.

This new system will allow players to book all their times online. Members must sign up through the portal on the home page of the website. You will have had to register when you signed up with an email address, so when you attempt to log in on the new members portal will you be identified as a member so you are not paying green fees when you sign up.

If you have any issues please see Nick Atkin or Nick Ryther and they can help get you signed up.

From the Maintenance Crew at Canyon Lakes Golf Course

Please stay on all cart paths where they are provided.

Please keep all four tires on the cart path. Please make sure to replace divots or sand them. Also please help with ball marks as much as possible. To ensure the best results it is important to keep golf carts away from approach areas to greens. For those that have Blue flagged carts, no cart should ever go between

a green and a bunker, or between the green and lake on number 9. This will be strictly enforced and understand we need to be consistent with everyone. It might be a few more feet away, but laziness really causes a lot of damage. If everyone does their part, we will see a difference.

With most groups going out with member play in four carts

it creates a lot of wear on turf during a time it is not growing. The Golf Shop will be talking to those that violate cart usage rules. If you have questions, please see Matt Mandell in the Golf Shop.

As for the canal work, they are finished with the work on holes 14–16. The last stretch from five tee to six tee will be completed when

the KID can finish it. We are hoping that will happen next winter. KID will let us know when they plan on returning to finish the lining for the canal.

2025 McCurley Mazda Orange Ball Scramble

The Campbell family reigns supreme at this years McCurley Mazda Orange Ball Scramble.

Jared Campbell, Saluna Campbell, Aiden Campbell and Ernie Del Rio won this years event with a score of 135 or 9 under par.

We had 92 players in the event this year and more than 75% of the teams returned their Orange Ball at the conclusion of the round.

We paid \$7,400 in prize money and had a chili feed with cornbread along with both pumpkin pie and apple pie.

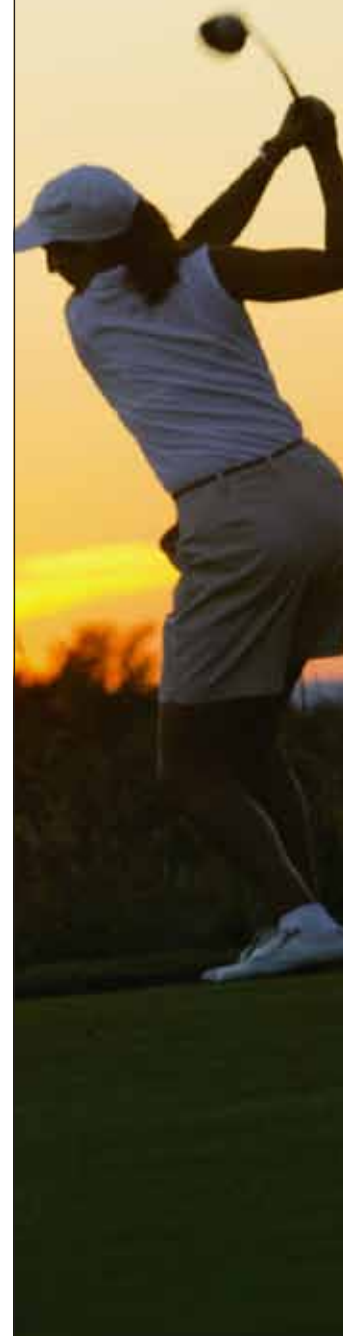

We used the oversized 6 inch cups and put them in the most difficult spots on the green.

Jared Campbell, Saluna Campbell, Aiden Campbell and Ernie Del Rio

Thanks to Kim and Shane for a great course and fun set up. Thank you to McCurley

Mazda and the Men's Club for throwing in \$1,000 each to the payout.
