

Canyon Lakes Golf Course

October Newsletter

Fall has arrived! Construction is done and it's time to play more golf. Bring your friends and make a tee time for up to 4 players and enjoy the best weather the Tri-Cities has to offer. Members get 10 days in advance and with tee times starting later and ending earlier, best to use the 10 day advantage. Public still gets 30 day in advance from 9am to noon Friday - Sunday. Call the Golf Shop or go online with Golf Now to book your tee time.

From Golf Universe: With Winter coming it is time to get outerwear updated to something warm and cozy. Or, maybe it is time to upgrade clubs, get new grips or even look at rangefinders or speakers. Lots of great inventory to choose from and fitting bays open for fittings. Lots of credit on the books to spend and never too late to start your Christmas shopping. Shop is open from 6:30am to 6:30 pm everyday.

From the Maintenance department: We ask that as the weather cools and the grass starts to slow down with growth that golf carts stay on cart paths as much as possible. This includes handicap carts as well. With grass not regenerating it is crucial to not park carts within 15 feet of greens, especially in front of green where all players try to play their ball to the green. Help us preserve the great conditions we are enjoying right now as long as possible. This includes following the directional signs and staying out of areas roped off. Please either replace divots or fill with sand when playing and make sure to fix yours and at least one other ball mark on the greens. Please rake all bunkers as well. The golf course is amazing and just asking your help with keeping it that way as the colder weather approaches.

From Birdie Run: Birdie Run Kitchen & Bar are ready to host all customers and groups. Food is amazing and the atmosphere is even better. After golf, come sit down and enjoy a drink or lunch/dinner with your friends or group. We have terrific drink specials and food has been amazing. Our decks can't be beat, so come join us and see what everyone is talking about. Have a company party, we want to host your group. Ask us for more information inside Birdie Run Kitchen & Bar.

2026 Tournament Season is coming to close soon. With only the McCurley Mercedes-Benz Closing Scramble and the Coca Cola Ball Buster and Wimp Open as the only events left for 2026.
