We are asking members to approve an increase in the annual capital expense. Voting yes will not increase your dues. The annual limit to the capital dues is \$300 and was established in our bylaws back in the 1970's. For years now we have not been able to correctly reflect the capital expenses members pay on their statement as the annual capital dues have been maxed out. We are asking you to vote yes and allow your statements and our accounting to reflect the actual amount of capital dues we pay. Once again, voting yes will not increase your monthly dues.

This requires a member vote because it is an amendment to a current bylaw. In person and virtual Q&A session dates are listed below. In these sessions we will help explain the importance of this bylaw change and answer your questions. An email vote will be sent out on 10/10/25. The voting will conclude on 10/31/25.

Upcoming Q&A Dates:

October Committee Meetings:

8th: Membership 5:30pm

13th: CUP 1:15pm

A change was made to a CP USTA policy

Tennis 6:00pm

14th: Facilities 4:30pm

16th: Finance 5:00pm

22nd: Board 6:00pm

that was approved by the board last month. Currently the CP USTA policy reads that a USTA team player, playing a match at 8:30 pm will not count as a reserved court. This is no longer the case, so now all USTA matches at any time-of-day count as a reserved court for members. This change went into effect September 1st starting with the 18+Mixed and 55+Senior seasons.

SATURDAY, OCTOBER 11TH @ 10AM

Join us this fall by the pool area at Central Park for a fun and interactive flower planter workshop led by our very own gardening enthusiast, Deb Oroszlan.

Deb generously volunteers her time and talent to make Central Park bloom with vibrant planters, and now she's sharing her tips and tricks with us again.

In this hands-on session we'll review the basics of container gardening and create our own beautiful planter to take home. Stick around afterward for light snacks, drinks, and casual conversation. Let's kick off the season with creativity and community!

All planting essentials, including a selection of seasonal plants and bulbs, soil, fertilizer and a pot will be provided. Please bring your gardening gloves and a small shovel. \$45 per person. Sign up in Gametime.

NOTE: Participants who reuse their pot from the spring workshop will be charged only \$35 for this workshop.

Waitlist Members can sign up Oct 4th, call the front desk to register!
