A change was made to a CP USTA policy that was approved by the board last month. Currently the CP USTA policy reads that a USTA team player, playing a match at 8:30 pm will not count as a reserved court. This is no longer the case, so now all USTA matches at any time-of-day count as a reserved court for members. This change went into effect September 1st starting with the 18+Mixed and 55+Senior seasons.
