The Champion's Club is a customer loyalty and rewards program. Similar to airline mile programs, the Champion's Club rewards customers for their loyalty to Sandia Golf Club. The program is designed for the local golfer who has flexibility with their golf schedule and can take advantage of the discounted green fees while earning points towards free golf. Along with many more exciting benefits, the Champion's Club is the perfect way to make the award winning Sandia Golf Club your golf home for 2017.

- Membership is valid from purchase through December 31st annually
- Membership in the Champion's Club does not guarantee tee times
- Membership and benefits are non-transferable
- Management reserves the right to change, alter, or cancel membership at any time

**This is an individual program. Cardholders can only earn and redeem points for their own green fees (even if they pay for the entire foursome or pay for a playing partner, they cannot earn points for other players). This is similar to airline miles programs where you earn frequent flyer miles for your seat, even if you purchased 2 tickets for you and your spouse/friend. Card is non-transferable. Membership and benefits are non-transferable.*
