Events, Clinics and Fun

Junior golf events have grown in popularity over the past few years around Ohio and across the country. However, the cost and time commitment of traveling to these events keep too many junior golfers from enjoying the benefits of competition and professional instruction. That's why the Union County Junior Golf Academy and Tour will return this summer. Now boys and girls can compete in tournament play and improve their skill and understanding of the game without leaving Union County.

Ken Collett, head golf professional at Darby Creek Golf Course and Larry Morris, Central District Golf Manager, have created the UCJGAT to promote junior golf and provide a fun competitive environment at a local level.

The clinics and competitions are broken into three divisions-- the Premier Division for boys and girls 7-9 years, the Academy Division for boys and girls 10-12 years, and the Tour Division for boys and girls 13-17 years.

Registration for the 2017 UCJGAT program closes June 3, 2017.

UCJGAT Goals
