

FORE! CAST

NEWSLETTER

SEQUOIA WOODS
COUNTRY CLUB

MARCH-APRIL 2020

Since early March we - like the rest of the world - have been propelled into new and frequently changing circumstances. We intended to publish this first issue of the Fore! Cast newsletter for 2020 in mid-March, but once the coronavirus responses started taking shape, we weren't sure what direction our operations would take.

Now that we've adapted to a (hopefully) temporary, new "normal", we're going ahead with this as a starting point. Most of the information inside was gathered before the epidemic (and before the late-season snow and cold temperatures!) So please note, that *many of the dates and events mentioned - by our columnists, in the listings and in the calendar - are not valid for April, and possibly into May.*

All April events, including our annual Easter buffet brunch, have been cancelled or re-scheduled. Sequoia Woods and golf club captains are trying to re-schedule the earliest events as best we can. Like you, we look forward to getting back to normal again.

We appreciate seeing those of you who've been able to make a brief stop by here to pick up a dinner or two to take home. It's so nice to have your support, and we wouldn't otherwise have a chance to see you or say "hi", with all of this hunkering-down.

So read-on what is in this newsletter but please check with your club officers if you have any questions about golf events. Most importantly: stay safe, and try to be positive about what little things we can until we get the "all-clear" .

The next Fore!Cast will be out in early May. In the meantime we will continue with our normal methods of communicating club updates: by email club blasts and Facebook posts.

We promise more fun at the club this year once things are turned back around!

A quiet course on March 30.
The snow is melting away.
We will have warm temperatures again!

MESSAGE FROM THE GENERAL MANAGER

By Bob Russell

Obviously, this April, which would be the traditional start of our spring season, is very different than normal. It is our hope that this issue of the Fore!Cast finds everyone in good health and following common sense guidelines that will help us all emerge from this serious health situation, with the minimum of damaging consequences, over the next couple of months. All club events for the month of April have been either cancelled or moved to a later date. The events in May are certainly in jeopardy but we will deal with these in the coming weeks.

Since the Governor's directive in mid-March, effectively closing all restaurants and bars, we have instituted a take-out food and beverage program, with various menus, for the five nights a week we are open. The only evenings we will not be serving food will be Tuesdays and Wednesdays. So far the to-go dinners have been well received by all, and I want to give special thanks to our members for their fantastic support, gracious comments and generosity to our staff. We really have a wonderful membership here at Sequoia Woods.

Another extremely important issue is the restrictions on the use of our golf course. We were set to re-open the front nine on Friday April 3 using the established guidelines as accepted by a number of county health departments in our state, which did not contravene the order from the Governor regarding common sense recreation by the people of our state. But, on Friday March 27, 2020 our local Calaveras County Health Department issued a directive closing all golf courses, parks, boat ramps and lakes. Unfortunately the reasoning behind this decision was not totally without merit. A number of our neighboring golf courses in the county were flagrantly ignoring even the minimum rules of health and safety, basically allowing open normal play without restrictions. This disregard for the importance of the situation eliminated any opportunity for the rest of us to operate following the reasonable guidelines. ("One for all and all for one"—perfect!) The same situation occurred in county parks and boat ramps, where the majority of people were acting as if nothing was out of the ordinary and it was just business as usual.

Now to the rules we are putting in place until we are able to open the course:

- **The golf course is officially closed.**
- All gates will remain in place and we will be blocking all other reasonable access points to the golf course.
- Bob Reichle, Chris Faria, Paul Watts and myself will be monitoring our course and property and warning people who do not follow this directive—member or not.
- No private golf carts or other motorized vehicles of any kind will be allowed on the course.
- If there are re-occurring issues with the same individuals we will refer the problem to the Calaveras County Sheriff's Department as outlined by the health department directive.
- A skeleton staff of our maintenance crew will be mowing, spraying, cleaning and detailing the course so that when we are able to open the course it will be in the excellent condition our members have come to expect.

-continued on next page-

MESSAGE FROM THE GENERAL MANAGER

(continued from previous page)

Thank you all for your patience, understanding and help with our common-sense approach to the serious health problem.

God Bless everyone and our great nation.

Bob Russell and our dedicated Staff.

GOLF HOURS FOR APRIL: **tentative only**

- Due to our normal frosty mornings, no play is permitted before 9:00 am. Frost may delay posted time.
- Tee times can be made two weeks in advance by calling 795-2141.
- Please check in 15 minutes prior to your scheduled time.
- If you must cancel a scheduled time, please help us by calling 24 hours in advance.
- Golf cars must be returned to the shop no later than 6:00pm
- *For more information, tee times, or to just say hello, stop by or give us a call: 795-2141*

Members' "Guest Discounts" for 2020

Once again all Sequoia Woods Golf memberships will receive **eight, half-priced guest fees** that can be used throughout the year, any time **Monday through Friday, and after 12:00 pm on weekends or holidays.**

Please let the golf shop staff know if you would like to use them when checking in. Records of your available discounts are kept in the golf shop. These discounts are for **accompanied guests only** unless authorized by the Head Professional.

Please refrain from asking to use these discounts before 12 pm on weekends.

Paying Your Sequoia Woods /Club Member Account

When you write a check to pay your SWCC account balance, we ask that you include two important pieces of information either with or on your check, so that we can bill your account promptly and accurately. The information we need is:

- (1) the member account number and**
- (2) the primary member name**

If you have auto-payment set up through your bank, please make sure the bank prints your SWCC member number (and be sure to update that number if you change membership type.)

If someone other than the primary member writes checks, it's still important to reference a primary member name or the SWCC member number. If there are two primary member names on the account, it would be helpful if they were both referenced.

Our bookkeeper, Kay Abernethy, is great at keeping us organized, but without names or numbers, the payments can't be processed. Kay can be reached in our business office, Monday through Friday (hours vary), and she's more than happy to help: 209-795-1000 **ext. 2.**

POLICIES FOR USING THE MOUNTAIN RETREAT

The Mt. Retreat is temporarily closed until further notice

We hope our members are enjoying the reciprocal arrangement with our neighbors at The Mountain Retreat resort. At this time we'd like to remind everyone of the current policies. These policies are important to follow in order to keep our arrangement intact, so please abide!

Our members may use only the indoor swimming pool, the spa, sauna and workout room (all located on the lower level) at Mountain Retreat as part of your Sequoia Woods membership.

There is no charge to use their facility but the use is restricted to Sequoia Woods Country Club members in good standing. You may now bring **no more than two guests** with you to the facility *and you must accompany them*—**guest card privileges will not otherwise be honored.**

Likewise, you may bring your children with you to the facility but *you must accompany them*, as well, but they're considered guests. (To everyone's understanding, this isn't a place to drop-off your kids to hang-out.)

Most importantly, you'll need to present your permanent plastic Sequoia Woods card with your name and number for identification, as well as a second ID. **Your card is the only way you can use the facility.** Once they cross-check your card with the active member list we provide them, their staff will buzz the locked access door open. (If you've lost your SWCC member card please let us know asap and we'll send for replacements, which you can pick up here at the clubhouse.)

Hours (please call to verify: 795-4447): 8am until 10pm summer; 8am until 8pm off-season (fall, winter & spring).

NOTES FROM OUR GOLF PRO

By Bob Reichle

For those of you who have been members at Sequoia Woods for a while, I'm sure you'll remember winters that just didn't want to give way to spring, thus postponing our golfing season. On some years it could be as late as mid-May. So here we are, the beginning of April, with winter giving way to sunny blue skies, lush green fairways, and still no golf.

As you may have already heard, the golf course and golf shop will be closed until further notice, due to county mandates in relation to our current state of affairs. The hard part for me is not knowing when we might be back to "business as usual". However, if we all practice patience and weather the storm, the days of blue skies and lush green fairways are sure to return.

All golf-related activities for the month of April, and possibly into May, have been cancelled. With some luck, certain events scheduled in May might only need to be postponed. All Men's and Women's clubs events will start on their regular schedule when we reopen. Golf shop merchandise has been put on hold for the time being but most certainly will continue to arrive once we are back to "business as usual".

I'm sure everyone is looking forward to "business as usual" in so many ways. I anticipate with excitement that first hug, handshake, fist pump or even a simple hello, when I see each and every one of you come through our open door at Sequoia woods.

All the best to everyone.

Protocol for Reciprocal Play

When planning to play at other private golf facilities, here are some guidelines to get you started:

#1: Call the other golf facility first and let them know you are a member of a private club and are interested in reciprocating with their club.

#2: Verify that they will in fact reciprocate with our facility, and ask what days and times are available, whether you can bring guests, what are the dress code requirements and what can you expect to pay in fees.

#3: Generally at this point they will ask for a call from your Head Golf Professional to set it up. The staff at the SWCC golf shop will be more than happy to take over from here and make that call.

#4: During the winter months, when our facility is closed and you need a call from us to set up a reciprocal round, just leave a message on our golf shop phone (209-795-2141). We check for messages every-other-day and will get back to you as soon as possible.

By doing this ground-work ahead of time we can eliminate the frustration of "phone-tag" scenarios. There are many great private clubs out there so take advantage of the benefits of being a member at Sequoia Woods!

WOMEN'S 18-HOLE CLUB ***note: this was written before the coronavirus shutdowns;**

by Sharon Tussy, Captain

April events have been cancelled or rescheduled*

What amazing weather we had this winter! While we certainly need the rain and snow, I hope you've been able to get out and golf our beautiful course, it's unbelievable that all 18 holes have been open this time of year.

Finishing off an excellent 2019 golf season, the December Christmas Party was hosted by the Women's 18 Hole Club and SWCC staff. It was a fun evening with fabulous food and holiday cheer, bringing together the Men's Club, Women's 18 Hole Club and The Sequoians. Thank you to 2019 Captain Lynn Manfree and her elves for their hard work planning and decorating and to the Men's Club for providing the wine. Congratulations again to Dot Atchison for her well-deserved award as Most Improved Golfer.

Our 2020 General Meeting is scheduled for Wednesday April 1, and I am excited to kick off our new golf season! The meeting will be held at Sequoia Woods at 1pm. At this meeting you can pick up your new roster book/event calendar in the Pro Shop, or they are available now if you happen to be in town. We have fun events planned throughout the year, including a new Par 3 Tournament on June 25th.

Your board this year is: Sharon Tussy – Captain, Lynn Manfree – Co-Captain & Membership, Kayleen Clemens – Treasurer, Barb Mehan – Secretary, Jean Harrington – Handicap, Cindy Gibbs – Rules, Marti Figone – Tournament Chair and board members Pam Levine and Tina Campen. Thanks to Jean Harrington for all the work she did to get our group ready for the transition to the World Handicap System.

We would also like to recognize two new members, Janette Gately and Marilyn Dwiggin. Welcome to you both and we hope to see you at our General Meeting or our first Wednesday play day. If anyone is interested in joining our great group of ladies, please contact Lynn Manfree at lmanfree123@gmail.com and she will be happy to get you on board.

The first WGANC tournament will be held April 13th and 14th at Sierra View and Del Paso Country Clubs. The format is a Hers 'n His Tournament. Please visit <https://ncga.org/wganc-events/> for information on this and other events throughout the year. We also encourage you to sign up for Open Day play at the various clubs across Northern and Central California, thanks to Sue Steinberger for being our Open Day chair and ensuring sign-up information is disseminated to all of our members. If you haven't played yet in an Open Day, consider getting together with some friends and signing up, there are some great courses to be played...

I look forward to seeing you all on the course!
