

We've turned the corner from winter, and although much of our focus has been dominated by the contagious coronavirus, in the background...spring is still on-target.

Of course, spring comes a little later in Arnold than in lower elevations, but it's a routine we're used to enjoying. Rainfall, hail and even a little thunder – rolling onwards, leaving fallen tree debris, clean air and some great clouds in the sky during the transition of seasons. Sunsets were lovely in early April.

Things are sprouting above-deck: daffodils, perennials and of course the ubiquitous flowering dogwood trees. The sun has been warming things up most recently, and people are anxious to get back outside, find a place to walk, soak in the warmth and listen to the increasing chatter of birds, frogs and squirrels that are awakening to the business of new life and the work to be done...nature brings us distraction—and hope.

Paul's crew has been keeping the golf course greens lush and manicured; that work also has to be done, it doesn't go away just because of a virus pandemic. The briefly-vacated course will reopen now, with new and unusual protocols. There's a bit of new information that comes with golf play, so read on in this newsletter for more on that.

The kitchen staff of chef Ryan, David and Martin have been real troopers, making delicious food to-go, with great attitude and experienced touch. The floor staff of Michelle, Tasha, Justin and Ashley are taking expert care of customer orders. Bob is his usual almost-daily presence, steering the ship and tracking the winds. Kay is in the business office fielding calls, mail, and a myriad of accounting matters. Bob Reichle has been making plans for how to proceed, with new protocols (see inside) and a freshly-cleaned golf shop. Kelly and Jane are opening-up the Deli for takeout lunches.

We don't know exactly what's around the next corner, there are creative ideas being floated around for how business will look. We miss our members and guests - the banter, the activity and the fun. For now we're not holding golf tournaments or banquets, and the events in the newsletter calendars are likely subject to change. We'll keep everyone informed as things evolve.

Stay safe and don't let the spring changes pass by you, unnoticed!

**Right: Bear Valley, April 2020.
There's still snow in the higher elevations!**

Notes From the General Manager

Bob Russell

Finally, our official spring has arrived.

Starting tomorrow, Friday May 1, the golf course will re-open, with tee times and golf carts available once more, and the deli serving food & beverages to-go. There are still certain restrictions we have to adhere to and these are listed later on in the Fore Cast and are posted in numerous places around the clubhouse.

The most important rule that we will be enforcing is who can play golf during this restricted period. Only members of the club that are Calaveras County residents/homeowners are allowed to play. We cannot allow any guests, outside or reciprocal play.

The lounge, restaurant and all outside seating still has to remain closed until we hear otherwise from the Governor.

If everyone cooperates, and proves that we can adhere to the new protocols, it could have a positive impact on our chances of getting back to normal operations sooner than later...

I'd like to take this opportunity to thank all of our members for their continuing support of our club during these unusual times. The outpouring of goodwill, generosity and support for our restaurant and the take out menu has been phenomenal.

Everyone please stay safe and hopefully we will see you enjoying your club again as your schedules allow.

Happy spring!!

NOTES FROM OUR GOLF PRO

By Bob Reichle

March & April have been quite disappointing in regards to the start of our golfing season this year. With winter returning in March and then the onset of a global pandemic forcing us to close our doors for the entire month of April, it's been a challenge to say the least. However, it looks as if we're finally starting to see the light at the end of the shutdown tunnel.

Calaveras County has finally lifted restrictions and are allowing us to open our course providing we follow social distancing protocols. As time goes on, these rules and restrictions will lighten and eventually we will get back to all our club has to offer.

THE MAIN NEW GOLF PROTOCOLS:

- Driving range, chipping areas and putting green are closed
- One (1) rider per cart (unless living in the same household)
- No Tournaments, Men's or Ladies Clubs, outings, or groups larger than four
- All players must practice social distancing within the group - six (6) feet apart
- Flag sticks must remain in the hole. **The Flag and Cup must not be touched at any time.**
- There will be no rakes for bunkers, ball washers, water coolers or divot bottles.
- Only two (2) customers allowed in the golf shop at any given time.
- All golf shop purchases must be on a credit card or account. No cash.
- Score cards and pencils available when asked. No exchanging of cards or pencils between players or groups.
- Tee times are scheduled at 10 minute intervals.
- Tee times will be required or call ahead before coming to play. (no walk on's)
- Congregating before or after golf in any area of the facility is not allowed.

MENS CLUB NEWS

By Bernie Tillotson

The good news is that our golf course will be open by the time you get this article (under strict guidance & rules from Calaveras County). Please see Bob Russell's article for more detail regarding the rules of play. I do want to bring to your attention that while the golf course will be open, **WE WILL NOT HAVE ANY MEN'S CLUB ACTIVITIES UNTIL AT LEAST JUNE.** This means that the men's club play days and tournaments are cancelled for the month of May and until we receive further guidance from the county.

I know for me, even though we will not be able to play as a Men's Club, the fact that our course will be open for play and allow us to get out and get exercise is a welcome relief. Bob Russell has also advised me that even though the clubhouse and bar will be closed, the deli will be open for take-out, including some limited drinks (beer and a few mixed cocktails).

We will get through this. Please stay safe!

Protocol for Reciprocal Play

When planning to play at other private golf facilities, here are some guidelines to get you started:

#1: Call the other golf facility first and let them know you are a member of a private club and are interested in reciprocating with their club.

#2: Verify that they will in fact reciprocate with our facility, and ask what days and times are available, whether you can bring guests, what are the dress code requirements and what can you expect to pay in fees.

#3: Generally at this point they will ask for a call from your Head Golf Professional to set it up. The staff at the SWCC golf shop will be more than happy to take over from here and make that call.

#4: During the winter months, when our facility is closed and you need a call from us to set up a reciprocal round, just leave a message on our golf shop phone (209-795-2141). We check for messages every-other-day and will get back to you as soon as possible.

By doing this ground-work ahead of time we can eliminate the frustration of "phone-tag" scenarios. There are many great private clubs out there so take advantage of the benefits of being a member at Sequoia Woods!

GOLF HOURS FOR MAY

Weather permitting; the **Golf Shop and course will be open from 8:00am to 5:00pm seven days a week.**

Mornings can still be rather cool in May, so play is not permitted before checking in with the golf shop staff.

Days are now longer and Twilight is a wonderful time to play, however, golf carts are required to be returned to the club house by 6:00pm.

In June, July and August, golf cart return times will be extended.

**The Driving Range, Putting Green
and Chipping Area Are Closed
Until Further Notice**

Reminder

During this period of social distancing we are required to provide carts for single riders. On busy days, due to the size of our golf cart fleet, we will occasionally run out of available carts somewhere between 11:00am to 1:00pm (give or take) depending on the day. If a golf cart is mandatory for your round we can recommend tee times that will accommodate the use of a golf cart.

Paying Your Member Account

When you write a check to pay your SWCC account balance, we ask that you include two important pieces of information with or on your check, so that we can bill your account promptly and accurately. The information we need is:

- (1) the member account number and**
- (2) the primary member name(s).**

If you have auto-payment set up through your bank, please make sure the bank prints your SWCC member number (and be sure to update that number if you change membership type.)

If someone other than the primary member writes checks, it's still important to reference a primary member name or the SWCC member number. If there are two primary member names on the account, it would be helpful if they were both referenced.

Our bookkeeper, Kay Abernethy, is great at keeping us organized, but without names or numbers, the payments can't be processed.

Kay can be reached in our business office, Monday through Friday (hours vary), and she's more than happy to help: 209-795-1000 ext. 2.
