FROM THE GENERAL MANAGER

by Bob Russell

You've probably noticed the equipment and the digging we've been doing on the course this month. The two lakes and the #1 tee box will be under construction until November 15. During this time, hole #1 will be a par three, from the 150-yd. marker, and holes #10 and #11 will be closed until the project is complete.

Things will be generally quieter around the club house and golf course for the next several months, as it's time for many of our members to make their annual "migration" south for the winter. Our deck and patio will be used if the temperatures are not too cold.

Be sure and check our calendar in this Fore!Cast, on our website and posted on our club house bulletin boards.

Happy Holidays!

Summer of Saws

I see you standing so tall and majestic.
Towering above the cabins so rustic.

Green against blue skies so bright.
Now beige against blue skies so blight.

Birds so free in flight
Saws working over night.

Kids laughing, new friends made.
Hear the crackle of wood laid.

Skipping rocks, fishing poles.
Footballs thrown, tad poles.

Butterflies, dragonflies.
Jack rabbits, Bears paws.

Hear the sound of summer saws.

For more information and bookings, call the staff at Sequoia Woods Country Club golf shop to set up a tee time to visit and play these wonderful facilities.

All members must present their membership cards at check in. Guests are welcome to play with you when they pay the daily rate.

The SWCC Facebook site is up.
Be sure ad visit us!

Protocol for Reciprocal Play

When considering playing golf at other northern California private facilities, here are some suggestions:

- Call the facility first and let them know you are a member of a private club and are interested in reciprocating with their facility.
- Ask questions such as, will you reciprocate with our facility, what days and times are available, may we bring guests, what are the dress code requirements and what can we expect in regards to costs.

Generally at this point they will ask for a call from your Head Golf Professional to set up a tee time. The staff at our golf shop will be more than happy to take over and make the call.

By doing the ground work first we can eliminate the frustration of phone tag.

During the winter months when our facility is closed and you need a call from us to set up a reciprocal round, just leave a message on our phone. We check for messages every other day and will get back to you as soon as possible.

There are many great private clubs out there, so take advantage of the benefits of being a member at Sequoia Woods.

NOTES FROM THE GOLF PRO

by Bob Reichle

November is here and it's starting to feel like winter is just around the corner. Come on up to winterize the cabin and enjoy a couple of days of cool November mornings and the spectacular colors of fall on our perfectly groomed golf course.

Don't be surprised after booking morning tee times that, upon arrival, we may be subject to a frost delay. Coffee is always available but standing around in the cold may not be your cup of tea. You can always call ahead to check on course conditions and possible delays.

We will continue to be open for play throughout the winter months as conditions allow, however, as we get closer to mid-December and the overnight and daytime temperatures start to drop we'll most likely close holes 14-18 to protect the tees and greens that get little or no sun this time of year.

If you call the golf shop during a period of golf course closure we will leave a no-answer greeting addressing the closure, with a tentative opening date. If you require further information you can always call the main club house at 795-1000.

Golf Hours for November & December

Golf Shop Hours – 10:00am to 4:00pm, daily

Play is not permitted prior to 10am due to possible morning frost

Driving range - now closed for the winter

Golf cars must be returned to the golf shop no later than 4:45pm.

Golf cars may be restricted to cart paths at certain times, with no exceptions.

Please remind your guests of our dress code.

Your new board held its first meeting on October 25th, and is hard at work preparing for next year's events. Your input from our annual Turkey Shoot Survey has been reviewed and will be taken into account for our 2017 planning. The 2017 calendar will be available once it is approved by SWCC. You will be receiving by email the unapproved minutes of

our monthly board meetings. This will enable you to stay in touch with what's happening in our club.

Team Play Captains

THE SEQUOIANS

by Kathy Enea

On October 25th, we had our final play day, luncheon and meeting of the season. **Sheila Silcox** did a wonderful job of organizing our luncheon in the dining room and of course the staff provided us with great food and service.

Our play of the day was Low Net, with a three-way tie between **Mary Peterson, Claudia Beymer** and **Kathy Enea** for "Charm Girl". At this time **Stell McPherson** announced our most improved player of the month is **Teri Pohley**.

During the meeting **Barbara Guevara** presented the awards for the Par/Ringer Board to our members.

Stell McPherson and Barbara Guevara are to be recognized for the important "behind-the-scene" jobs they both were busy with, all season long. Thanks to you both.

Two other ladies who have put in many years of helping are **Mary Peterson** and **Bev Vasquez** who have served as Team Play Captains. Thanks to the two of you for organizing the early morning trips for these events.

Next season will be in very capable hands as the officers for next year were announced:

Captain:	Marilyn Nord
Co-Captain:	Julie Lapham
Secretary:	Claudia Beymer
Treasurer:	Bobbi Haskell

The Sequoians is a women's group noted for its membership participation in the many jobs that are happily volunteered for throughout the year. Thanks go out to all the members that helped to make this a successful season.

As the season comes to an end, **Sheila Silcox** and **Dodie Raley** are busy working on the Sequoia Woods Country Club Christmas Party which will be held on Saturday December 10th. We are looking forward to welcoming the golfers from the Men's Club and the 18 Hole Ladies as they join us for the much-anticipated party and dinner.

Tuesday mornings were a great time for The Sequoians this season as we gathered for golf and friendship. To any golfers in the area who may be looking for a nice nine holes of golf with friends, look us up and plan on joining us next year.

To SWCC Members Regarding The Mountain Retreat:

The current agreement that is in place is subject to modifications as needed.

Our club members have the ability to use the indoor swimming pool, the spa, sauna and the new workout room (all located on the lower level) at Mountain Retreat as part of your Sequoia Woods membership.

There is no charge to use their facility but the use is restricted to Sequoia Woods Country Club members in good standing. You may bring two guests with you to the facility *but you must accompany them*—**guest card privileges will not otherwise be honored.**

Likewise, you may bring your children with you to the facility but *you must accompany them*, as well. (To everyone's understanding, this won't be a place to drop-off your kids to play or to "hang-out".)

Most importantly, you'll need to present your permanent plastic Sequoia Woods card with your name and number for identification. **This card is the only way you can use the facility.** Their staff will buzz the locked access door open for our guests. (If you've lost your SWCC member card please let us know as soon as possible and we'll send for replacements, which you'll be able to pick up here at the clubhouse.)

The hours of operation at Mountain Retreat club house and recreation facilities are 8:00am until 10:00pm summer; 8:00am until 8:00pm in off-season (fall, winter & spring).

Our members are expected to follow all of the rules at Mountain Retreat as well as the accepted conduct you would exhibit as a member of Sequoia Woods Country Club.

Please contact me if you have any questions or need further information about this new program. I'm sure everyone will enjoy these year-round benefits.
