## Thanksgiving Day

### THE GOLF SHOP AND CLUB HOUSE ARE CLOSED ON THANKSGIVING DAY

#### GOLFERS POEM

In my hand, I hold a ball, white and dimpled,  
rather small.

Oh, how bland it does appear, this harmless  
looking little sphere.

By it's size I could not guess, awesome strength  
it does possess.

But since I fell beneath it's spell, I've wandered  
through fires of hell.

My life has not been quite the same, since I  
chose to play his stupid game.

It rules my mind for hours on end, plus a fortune  
it has made me spend.

It's made me curse and made me cry, and  
hate myself and want to die.

It promises me a thing call Par, if I hit it straight  
and far.

To master such a tiny ball, should not be very  
hard at all.

But my desires the ball refuses, and does exact-  
ly as it chooses.

It hooks and slices, dribbles and dies, sometime  
disappears before my eyes.

Often it will have a total whim, to hit a tree or  
take a swim.

With miles of grass for which to land, instead it  
finds a patch of sand.

Then has me offering up my soul, if only it would  
just find the hole.

It makes me whimper like a pup, and swear  
that I will give it up.

And take a drink to ease my sorrow, the ball  
knows I'll be back tomorrow.

## FROM THE GENERAL MANAGER

*by Bob Russell*

Since this is our last issue of the year,  
and with winter just around the cor-  
ner, I want to thank all of our mem-  
bers for helping make this a great  
2017, and to wish everyone a  
Happy Thanksgiving and a very Merry Christmas.

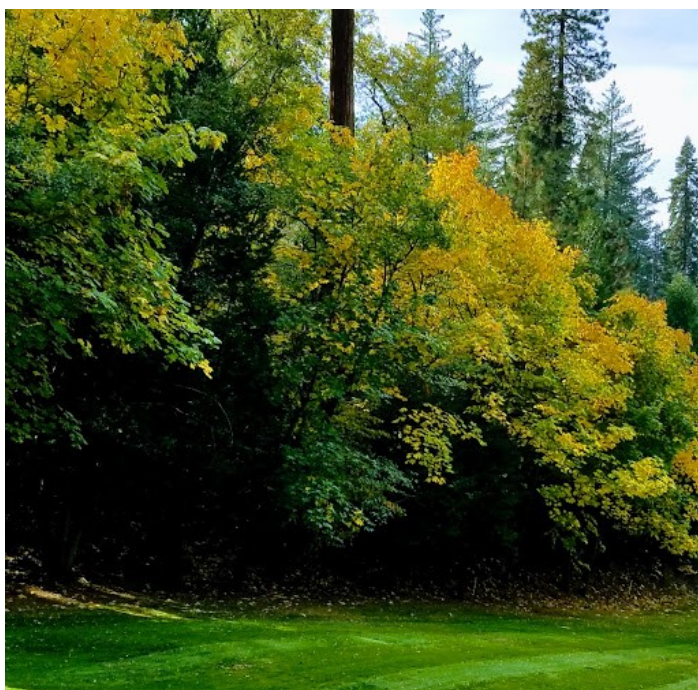

I also want to remind our members and guests that  
the fall and winter conditions of our golf course are a  
lot different than conditions in the warmer months.  
There will be frost delays on many mornings, and we  
do this for a very good reason: walking and driving  
on frozen grass can actually kill the grass, and leave  
ugly scars, for months. Please be very careful on cold  
mornings and respect your golf course.

All obvious projects on the course are completed for  
the year, but you will see our crews with ongoing tree  
cutting and trimming, in addition to general clean-up  
and preparation for the winter.

The driving range is now closed and we will be re-  
moving the ball washers and the water stations for  
the winter. The lakes are also being drained to allow  
for increased water flow when the rains begin.

As we have in past years we will try and keep the  
course open as often as possible when we enter the  
months with rain and snow but even our best efforts  
are controlled by Mother Nature. Paul and his crew  
will do their best to give our members as much of the  
golf course as possible, as quickly as conditions allow.

Thanks again for a great year and I look forward to  
seeing everyone either in the near future (or next  
spring.)

## Protocol for Reciprocal Play

When considering playing golf at other northern California private facilities, here are some suggestions:

1.) Call the facility first and let them know you are a member of a private club and are interested in reciprocating with their facility.

2.) Ask questions such as, will you reciprocate with our facility, what days and times are available, may we bring guests, what are the dress code requirements and what can we expect in regards to costs.

Generally at this point they will ask for a call from your Head Golf Professional to set up a tee time. The staff at our golf shop will be more than happy to take over and make the call.

By doing the ground work first we can eliminate the frustration of phone tag.

During the winter months when our facility is closed and you need a call from us to set up a reciprocal round, just leave a message on our phone. We check for messages every other day and will get back to you as soon as possible.

**There are many great private clubs out there, so take advantage of the benefits of being a member at Sequoia Woods.**

## Congratulations-

Score a personal best on a hole or game?

Golf cars must be returned to the golf shop no later than 4:45pm.

Please remind your guests of our dress code.

Lots of fun all across the course (whatever did we do before selfies?)

### NOTES FROM THE GOLF PRO

by Bob Reichle

November is here and it's starting to feel like winter is just around the corner. Come on up to winterize the cabin and enjoy a couple of days of cool November mornings and the spectacular colors of fall on our perfectly groomed golf course.

Don't be surprised after booking morning tee times that, upon arrival, we may be subject to a frost delay. Coffee is always available but standing around in the cold may not be your cup of tea. You can always call ahead to check on course conditions and possible delays.

The back nine will be closed over the first three days of November, so we can complete final tree removal and cleanup.

We'll continue to be open for play throughout the winter months as conditions allow, however, as we get closer to mid-December and the overnight and daytime temperatures start to drop we'll most likely close holes 14-18 to protect the tees and greens that get little or no sun this time of year.

If you call the golf shop during a period of golf course closure we will leave a no-answer greeting addressing the closure, with a tentative opening date. If you require further information you can always call the main club house at 795-1000.

## THE MEN'S CLUB

By Tom Gosswiller, President 2018

First of all, I would like to thank all the out-going board members for their dedication, time and service to the SWCC Men's Club. These are big shoes to fill, to keep the Men's Club going and our members informed. Our out-going members are: President Jim Harrington, Secretary Cam Deen, Greens - Rich Garmesen, Handicap - Ed Stahlberg, and Member Liaison - Joe Caccamo.

Our incoming members are: President, Tom Gosswiller; Vice President, Bernie Tillotson; Secretary, Erik Nissen; Greens, Sid Gilbrech; Handicap, Andy Thomson and Member Liaison, Jim Walton. I want to thank these members for stepping up and filling the open positions.

From the survey that was taken at the Turkey Shoot, it looks like the new format for some of our tournaments was a hit with a majority of our members. I think I will be putting from the top of a beer can from now on as our entire foursome parred number three and I only two putted! A great job was done by Jack Larmour on setting up our tournaments and making them fun and challenging for all.

I must also thank Paul Watts and crew for doing such a great job with such adverse conditions this year. Record rainfall hit the course and springs sprung up where they were never known to exist. In spite of this, the course was in beautiful shape throughout the year.

As our weather is changing and winter is on the way, I am still hoping for several more rounds of golf before I get lazy and just sit in front of the fireplace. I'm looking forward to serving the SWCC Men's Club this next year and look forward to seeing everyone on the course.

## WOMEN'S 18-HOLE CLUB

by Lynn Manfree

Our Indian summer came to a close, with the forecasted rain arriving on-schedule. We certainly enjoyed the mid-eighties temperatures at the end of October, but we now welcome the rain.

October started with our last play day of the season, on Wednesday the 4th. It was **Beat the Pro** day with nine holes of play and, sorry to say, **Bob Reichle** wasn't having a good day. All the women "beat" the Pro except for me, who had not played golf in over 11 months. But I can't tell you how good it was to get back on the golf course!

The following Sunday, October 8<sup>th</sup>, we held our Annual Awards Lunch. First we held a General Meeting and passed a motion to amend the By-Laws. We then gave presentations for Ringer/Birdie, Club Championship, Match Play, WGANC, Break Pins, and Hole-in-One awards. I proceeded to give little gifts to the Committee Chairs and my Board Members, with many **THANKS**, for everyone's contributions for the past year. I couldn't have done it without you.

On Wednesday October 11, a large group of us showed up for BlueBirds – our chance to play from the blue tees! It was fun day, followed by dinner at **Karen Wilhelm's** house. We thank Karen for the delicious dinner, and her recipes were later shared by all.

Congratulations to **Beverly Vasquez** for her first **Hole-in-One**, down at Castle Oaks on October 25!! We had a group from the men's 16-away and the women's 12-away who got to enjoy the toast!

Don't forget to put your order in with Bob Reichle for 2018 Club shirts.

SWWGC Captain, Golf Friend and Supporter of Junior Golf - Lynn

**Hooray for Bev, for her Hole-In-One!  
Oct. 2017**

The 12-away women helped celebrate Bev's lucky swing at Castle Oaks.

### **\*LATE ADDITION: (PHOTO, LEFT)**

Members Maureen Larmour, Barbara Mehan, Mo Ryniec and Cindy Gibbs played in the final WGANC two-day tournament for the season, at Stockton and Woodbridge County Clubs, on November 6 and 7.

Although the team didn't do well the first day, they "dug deep" the second day, and came in 4th Gross in their flight. CONGRATULATIONS LADIES!

## THE SEQUOIANS

by Marilyn Nord

It's hard to believe this is my last news article for 2017. I would like to begin with a sincere thank you and appreciation to **Nancy Ward** for her assistance whenever I have needed it. I have enjoyed working with her and feel she does an outstanding job putting the Fore!Cast together.

Our final "play day" for the season was held on October 24th. Our awards luncheon and annual meeting followed play, in the dining room. This year's social committee chair, **Shari Gong**, has done a wonderful job organizing our luncheon events and is greatly appreciated. Many thanks to the club's food and beverage staff for providing great meals and wonderful service.

During the meeting, committee chairperson **Barbara Guevara** presented the 2017 awards to members for par/ringer board. Officers for 2018 were elected at the meeting. Congratulations to the following Sequoians:

<b>Captain:</b>	<b>Julie Lapham</b>
<b>Co-Captain:</b>	<b>Dodie Raley</b>
<b>Secretary:</b>	<b>Claudia Beymer</b>
<b>Treasurer:</b>	<b>Shari Gong</b>

Following the meeting, the Play Day awards were presented. Congratulations to **Suzan Cullen**, who was awarded "Low Net Charm Girl" with a Low Net of 26, and to **Dodie Raley**, "Most Improved" for the month. I would like to recognize the following Sequoians who had "CHIP-INS" on our final day of the season: **Maureen Chassy**, #15 and **Julie Lapham**, #10. There were several Sequoians who had "PARS": **Ina Carlson**, #17; **Amy Cook**, #17; **Maureen Chassy**, #15, #16; **Kathy Enea**, #11, #13, #17; **Julie Lapham**, #10; **Mary Peterson**, #17; **Sue Pollak**, #17 and **Sandee Stowe**, #12. Congratulations to all of these ladies—what a great way to end the year.

As the season ends, I would like to thank my fellow officers **Julie Lapham**, Co-Captain, **Claudia Beymer**, Secretary, and **Bobbi Haskell**, Treasurer, for their support throughout the year. My thanks, as well, go to this year's committee chairs who helped to make my job as Captain an enjoyable experience.

Finally, I would like to thank Bob Reichle, his staff, and Bob Russell for also helping make my position as Captain a pleasure. The groundsman have done a great job of keeping the golf course in top condition, which has made golfing at Sequoia Woods so nice (even when I've been frustrated with my game).

I wish all the best to my fellow Sequoians, and look forward to golfing with you in 2018.

"passing the torch"...

## To SWCC Members Regarding The Mountain Retreat:

The current agreement that is in place is subject to modifications as needed.

Our club members have the ability to use the indoor swimming pool, the spa, sauna and the new workout room (all located on the lower level) at Mountain Retreat as part of your Sequoia Woods membership.

There is no charge to use their facility but the use is restricted to Sequoia Woods Country Club members in good standing. You may bring two guests with you to the facility *but you must accompany them*—**guest card privileges will not otherwise be honored.**

Likewise, you may bring your children with you to the facility but *you must accompany them*, as well. (To everyone's understanding, this won't be a place to drop-off your kids to play or to "hang-out".) Your children are regarded to be guests.

Most importantly, you'll need to present your permanent plastic Sequoia Woods card with your name and number for identification. **This card is the only way you can use the facility.** Their staff will buzz the locked access door open for our guests. (If you've lost your SWCC member card please let us know as soon as possible and we'll send for replacements, which you'll be able to pick up here at the clubhouse.)

The hours of operation at Mountain Retreat club house and recreation facilities are 8:00am until 10:00pm summer; 8:00am until 8:00pm in off-season (fall, winter & spring).

Our members are expected to follow all of the rules at Mountain Retreat as well as the accepted conduct you would exhibit as a member of Sequoia Woods Country Club.

Please contact me if you have any questions or need further information about this new program. I'm sure everyone will enjoy these year-round benefits.
