This is our final issue of Fore!Cast for 2018; our next printing will be in the spring of 2019. During the winter season, we’ll keep everyone informed with club updates by e-mail blast, Facebook and printed postings on the clubhouse bulletin boards, so be sure that we have your current e-mail address. A few flyers about events happening over the next couple of months are in this Fore!Cast.

If you have any news you’d like included in our Fore!Cast newsletters, please feel free to e-mail it to: info@sequoiawoods.com and put “Forecast Newsletter” in the subject line.

We wish everyone a safe and enjoyable holiday and winter season….
FROM THE GENERAL MANAGER
by Bob Russell

As winter approaches and 2018 draws to a close, I would like to thank our many club members for helping to make this another great year at the club. I also want to wish everyone a happy Thanksgiving and a very merry Christmas.

We are finishing up a couple projects around the course, before the weather turns, but in general all major work is complete.

You will see the addition of three new redwood trees on #9 fairway near the large oak. These plantings are in preparation for the future when it becomes necessary to remove the venerable old oak tree. That may be a number of years away, but at least the new trees will be partially mature when that occurs.

The blue tee boxes on holes #15 & #16 are being leveled, re-worked and sodded as we speak. This is a good time of the year to complete this type of project, to allow the new sod to grow undisturbed during the winter months. These tees will reopen in the spring.

The roof on the #3/#9 restrooms is being replaced soon, before we get significant rain or snow. The driving range is now closed and we will be removing the ball washers and water stations very soon.

As in past years, I want to remind our members and guests that the fall and winter conditions on our golf course are a lot different than in the warmer months. There will be frost delays, many mornings, and we do this for a very good reason: walking and driving on frozen grass literally kills the grass and leaves ugly scars for months. And: please avoid any wet or soggy areas with your golf carts and be very careful where you drive, this time of the year, to show respect for your golf course.

Paul and his crew will try to keep the course open as much as possible during the winter months, and re-open portions of it as soon as conditions allow following storms, but remember: even our best efforts are controlled by Mother Nature. Thanks again to all our members and staff for another great year and we look forward to many more at our club!
We Welcome Our Newest Club Members!

NOTES FROM THE GOLF PRO
by Bob Reichle

It’s starting to feel like winter is just around the corner. Come winterize the cabin, and enjoy a couple of days of cool November mornings, and the spectacular colors of fall on our perfectly groomed course.

Don’t be surprised after booking morning tee times that, upon arrival, we may be subject to a frost delay. Coffee is always available but standing around in the cold may not be your cup of tea. You can always call ahead to check on course conditions and possible delays.

The back nine will be closed over the first three days of November, so we can complete final tree removal and cleanup.

We’ll continue to be open for play throughout the winter months as conditions allow, however, as we get closer to mid-December and the overnight and daytime temperatures start to drop we’ll most likely close holes 14-18 to protect the tees and greens that get little or no sun this time of year.

If you call the golf shop during a period of golf course closure we will leave a no-answer greeting addressing the closure, with a tentative opening date. If you require further information you can always call the main club house at 795-1000.
Protocol for Reciprocal Play

When considering playing golf at other northern California private facilities, here are some suggestions:

1.) Call the facility first and let them know you are a member of a private club and are interested in reciprocating with their facility.

2.) Ask questions such as, will you reciprocate with our facility, what days and times are available, may we bring guests, what are the dress code requirements and what can we expect in regards to costs.

Generally at this point they will ask for a call from your Head Golf Professional to set up a tee time. The staff at our golf shop will be more than happy to take over and make the call.

By doing the ground work first we can eliminate the frustration of phone tag.

During the winter months when our facility is closed and you need a call from us to set up a reciprocal round, just leave a message on our phone. We check for messages every other day and will get back to you as soon as possible.

There are many great private clubs out there, so take advantage of the benefits of being a member at Sequoia Woods.

THE MEN’S CLUB
By Bernie Tillotson, President 2019

It’s hard to believe that another year is almost over, our 2018 Men’s Club events are behind us and we are planning for next year.

I would like to start off by thanking Tom Gosswiller and the entire Men’s Club Board for all of their hard work to make 2018 a terrific year. It has truly been a pleasure working with all of you. I would also like to extend a special thanks to our retiring Board members Vic Manuelli and Andy Thompson for the great job they have done in serving on our Board these past 3 years. Your contributions and dedication to our club have been outstanding.

I want to welcome our two new Board Members; Alan Court and Mario Perez. With their direction and leadership, we look forward to another outstanding year with our Men’s Club.

Your new Full Board and their responsibilities are as follows:

Bernie Tillotson, President
Alan Court, Vice President
Erik Nissen, Secretary
Brian Raley, Treasurer
Jack Larmour, Tournaments
Tom Gosswiller, Membership
Mario Perez, Rules & Handicap
Sid Gilbrech, Ringer Board/Public Relations
George Cook, Greens
Hank Rullhausen, SWCC Liaison
Jim Walton, Member Liaison

I’m personally very excited about - and looking forward to working with - our new Board this next year.

The Board held it’s first meeting October 15th and is already working on the schedule of events for the upcoming year. Your input from our annual “Turkey Shoot Survey”, along with our analysis of the past years’ events, are being incorporated into our planning for 2019. It is promising to be a great year. The 2019 Calendar will be available soon, once approved by SWCC. We will continue to have our regular play days on Monday and Thursday, even though our season and tournaments are officially over. The new season will start on April 1, 2019, so please get your applications and dues paid as early as you can. You can pick up an application at the Pro Shop or directly from Tom Gosswiller, our Membership Chair.

Finally, our annual Sequoia Woods Men’s and Ladies’ Clubs’ Holiday Party, hosted this year by the Sequoians, will be held Saturday December 8th. This is always a great event and a chance to enjoy good friends, good food and a fun time. It’s been a very popular event, and will fill up fast, so plan to make your reservations early. Look for your invitation, coming from the Sequoians (women’s 9-hole club), in early November. As in the past, our Men’s Club will provide complimentary wine with dinner.

I would like to wish each of you a very joyous and meaningful holiday season!

WOMEN’S 18-HOLE CLUB
by Sharon Croswell, Captain

It is hard to believe that our competitive season is over! In many respects it has been a good year but in others it has been a tough year (due to illness and a death). However, I have enjoyed being Captain for such an amazing group of women. THANK YOU to my board: Lynn Manfree, Jane Lucas, Kayleen Clemens, Jackie Gutierrez, Sharon Tussy, and Elise Hanrahan, without whose help I could not have done this job. I also want to thank all of the special committee chairs that made the season run so smoothly.

On October 3rd the ladies hosted the Sadie Hawkins event. We had a tremendous turnout. All 26 teams started the day even though the weather promised rain. Yes, it poured on us for about 15 minutes and then cleared up until we finished the tournament. After we finished, the sky opened up and poured continuously…but, we made it. When we came off the course we had a delicious hot lunch, with chili and corn bread, compliments of Maureen Ryniec’s menu-planning. Thank you, Mo Ryniec and Barbara Mehan, for doing such an awesome job putting the tournament together!

The Sadie Hawkins game was one best ball between the pair. There were two flights, six winners in each flight. First flight winners: 1st place Sharon Croswell and Kevin Andel, 2nd place Betty Hildebrand and Roger Hawkins, 3rd place Cathie Andel and Bron Croswell, 4th place Lisa Self and Mike Cashara, 5th place Sharon Tussy and Scott Self, 6th place Linda Stebbins and Ed Carr. Second flight winners: first place Kayleen Clemens and Bernie Tillotson, 2nd place Harriet Johns and Bob Kruger, 3rd place Irene Machado and Joe Caccamo, 4th place Tess Leary and Karl Malmin, 5th place Gloria Jacques and Vic Manuelli, 6th place Patty Tillotson and Dennis Clemens. In spite of the rain, a good time was had by all.

Our last event of the year was the Awards luncheon on October 7th. Awards were given out for the Club Champion, Runner Up, and Low Net, Birdie/Ringer, WGANC pins to the three ladies Maureen Larmour, Cindy Gibbs, and Lynn Manfree, with the three lowest net scores in the six WGANC tournaments, and our Most Improved Golfer, Sherry Westernoff.

Again, I want to thank the members for all their help and support. It has been such an honor to serve as your Captain this year and I look forward to working with everyone next year.

To SWCC Members Regarding The Mountain Retreat:

The current agreement that is in place is subject to modifications as needed.

Our club members have the ability to use the indoor swimming pool, the spa, sauna and the new workout room (all located on the lower level) at Mountain Retreat as part of your Sequoia Woods membership.

There is no charge to use their facility but the use is restricted to Sequoia Woods Country Club members in good standing. You may bring two guests with you to the facility but you must accompany them—guest card privileges will not otherwise be honored.

Likewise, you may bring your children with you to the facility but you must accompany them, as well. (To everyone’s understanding, this won’t be a place to drop-off your kids to play or to “hang-out”.) Your children are regarded to be guests.

Most importantly, you’ll need to present your permanent plastic Sequoia Woods card with your name and number for identification. This card is the only way you can use the facility. Their staff will buzz the locked access door open for our guests. (If you’ve lost your SWCC member card please let us know as soon as possible and we’ll send for replacements, which you’ll be able to pick up here at the clubhouse.)

The hours of operation at Mountain Retreat club house and recreation facilities are 8:00am until 10:00pm summer; 8:00am until 8:00pm in off-season (fall, winter & spring).

Our members are expected to follow all of the rules at Mountain Retreat as well as the accepted conduct you would exhibit as a member of Sequoia Woods Country Club.

Please contact me if you have any questions or need further information about this new program. I’m sure everyone will enjoy these year-round benefits.

-Bob Russell, General Manager, SWCC
