

SEQUOIA WOODS MEN'S CLUB BOARD MINUTES
MAY 15, 2017

Meeting called to order by President Jim Harrington at 2:20

Members Present: Vic Manuelli, Hank Rullhausen, Ed Stahlberg, Jim Harrington, Rich Garmsen, Cam Deen, Tom Gosswiller, George Cook.

Members Absent: Jack Larmour, Brian Raley.

President's Report:

- April minutes unanimously approved.
 - Clarification regarding eligible scores for Ringer Board posting:
 - Mondays (low net days).
 - Any player who picks up on a hole will not be eligible for the Sweeps. However...the player will still be eligible for Ringer Board postings *provided the player completes the round.*
 - If an individual picks up on a hole, the hole should be marked with a diagonal line with an "X" on the top portion and the maximum allowable score recorded on the lower portion for posting purposes.
 - An "X" will be marked in the "Net" column on the scorecard to alert the club pro not to include said player in the Sweeps. The player's adjusted score will be recorded in the adjusted score column of the scorecard.
 - Thursdays (generally, team play).
 - Any player who completes a round will have eligible scores on each hole recorded on the Ringer Board. It is permissible to pick up if the player is out of the hole. Since it is team play, all players who complete a round will be eligible for the Sweeps, regardless of whether the player picks up on one or more holes. The player's adjusted score will be recorded in the adjusted score column of the scorecard.
 - Any player who does not complete a round for any Men's Club event will have a "WD" (Withdraw) recorded in the "Net" column to alert the club pro that said player is not eligible for the Sweeps. The player is also ineligible for the Ringer Board for that round.
-
- **Vice President's Report:**
 - Charity Classic preparation is progressing.
 - Hank Rullhausen stated that those who purchase Tee Sponsor signs (\$100.00 each) will receive two free plays, including cart.
 - SWCC will sponsor a hole in one contest on #10. Any participant who gets a hole in one will receive one year's free membership.

Treasurer's Report: Total Assets: \$8057.04. Net Assets: \$5057.04.
