

Pine Ridge Women's Golf Association

Wednesday 18 Hole Group

Membership Application

Date_____

Name_____

Address_____

Telephone (H) _____ (C) _____

Email_____

Birthday_____ (no year necessary) Name of Spouse_____

For entry in the 18 hole division, the applicant may submit a USGA handicap from another club, not to exceed 36. An applicant without an established handicap may apply by submitting 5 attested Pine Ridge score cards to the Membership Chairperson. These score cards may be acquired while playing with the 18 hole Ladies Group. Once these score cards have been submitted and a handicap of 36 or less is established, the applicants must play with one or possibly two Board members and/or the Membership Chairperson before acceptance into the club. There is a four-week probationary period for the 18-hole division.

In order to maintain membership, the following is required:

Play fifty percent (50%) of the scheduled play days

Demonstrate knowledge of golf etiquette and the USGA rules of golf

Serve on a committee every three years if asked

Once you turn in your score cards or verified handicap and play with a Board Member, you are considered for membership.

Please return your application to the Membership Chairperson listed below. Call or email with any questions.
