

2019 BMGA Point Provisions

In an effort to always get better and facilitate a premium Men's Club, we have been proactive with the Thompson Cup Point System. With many questions and great discussions, our BMGA Committee and the Management staff have come up with the following point system in place for 2019. This has been the point structure since 2016 but in 2018 a provision was put in place to put a cap on Participation Points. (Performance points do not have a cap.)

The 2019 Thompson Cup Race began August 14th 2018 (Week after the 2018 Member-Guest) and will conclude August 10th, 2019 (Following the 2019 Member-Guest).

We have 5 Major events. Of those 5 Majors, you may receive 40 participation points. (You will still receive all of your performance points)

As for Saturday's and TNL, players may accumulate up to 75% of the total possible Participation points available. For 2019, we have 20 TNL events and 12 Saturday events. The maximum number of participation points you may accumulate for these two events is 24.

The maximum number of participation points a player may earn for the 2019 Thompson Cup Race is 64 points.

Saturday Games 1 participation point plus 1 performance point if you win money or tie

Tuesday Night League 1 participation point plus 1 performance point if you win money or tie
