Ravinia Athletics & Wellness - What we can be for you?

Performance is a function of behavior! We all have the capacity to modify our behavior, to positively impact our daily performance. Ravinia Athletics and Wellness is not merely an exercise facility; it’s a Lifestyle, supported by a professional and motivated Team. Our objectives are: your wellbeing, fitness, health and educating you to enhance and sustain overall performance. Take a step forward, become actively engaged and allow us to modify your program, content, and further your performance.

Whether scheduling issues, stress, or same daily routine is hindering your performance, we can help modify your program to impact your lifestyle. Begin with a Lifestyle/Fitness assessment and allow us to format a feasible plan to suit your busy schedule. Please contact Paul Lewis, Athletics/Wellness Director (770-395-5196) or schedule a time with one of our Health Coaches.

Table Talk

We are expanding our health, fitness & wellness presentations to include small group opportunities for Members, held at the Health Desk, on the Athletics floor. Each session will focus on a specific Health-related topic, including: joint pain and dysfunction; sport related injury; modifying nutritional intake; exercise and your needs; etc. The format will be limited to 8 Members each session, allowing for a more personalized program. Educational presentations will be presented by: Paul Lewis; Dr. Bart and Ravinia Health Coaches. Sign-up at the Health Desk.

Swimming Season

We are entering into the Spring/Summer season, and our pool is open to all Members. Apart from recreation and relaxation, swimming is an ideal sport for all ages, with wonderful aerobic and muscle benefits. If you are interested in learning or improving your swim style, contact: Bill Hammons, Ravinia’s Swim Coach (404-791-4221).

Lifestyle Assessment

Allow us to help monitor your progress via the Athletics & Wellness Lifestyle assessment. We will monitor your progress throughout the year, individually assessing and re-assessing your achievements, keeping you on track and empowering you to make the simple and necessary changes to live a healthier, fitter and stress reduced lifestyle. Talk with one of Ravinia’s Health Coaches.
Chiropractic
Pinnacle Chiropractic is dedicated to helping you achieve your wellness objectives -- combining skill and expertise that spans the entire chiropractic wellness spectrum. We are committed to bringing you better health and a better way of life by teaching and practicing the true principles of specific chiropractic care.

We are offering an opportunity for all Ravinia members to stop by for a FREE Digital Spine Exam to see how healthy you truly are. Remember, health is a state of optimal physical, mental, and social well-being, and not merely the absence of disease or infirmity! Yours In Health, Daniel Bart, DC, Pinnacle Chiropractic, the Gold Standard in Chiropractic Care, (770)395-5179, or www.PinnacleChiro.net.

Now More Than Ever….

Recently, many of you took a survey that outlined different aspects of the Club and your use of the Club as a whole. Surprisingly, only 21% of those who took the survey host events at the Club.

Which means we have the opportunity to show 79% of our Members what we can do in the Events Department.

The overall perception of the Events Department, based on the responses from the survey, was consistent and pointed to 3 main points: Value, Service and Convenience.

Many of you may not know …

- The Club can host intimate dinners of two to corporate or social affairs as large as 650 guests
- The Grand Dining Room can seat up to 200 with a dance floor
- The Spruill Room can accommodate up to 60 people for a Luncheon or Dinner
- The Gardens at the Ravinia Club may be used for cocktail parties

The Club is very competitive in their pricing based on a comparison to other Event Facilities in the area.

As a Member of the Ravinia Club you may “sponsor” an event which allows your friend, relative or business associate to waive a $500 non-member fee.

Please keep us in mind if you or anyone you know is planning an event. We would love the opportunity to show you all the Club has to offer and to assist you in the future! Please contact Laura Potts, Catering Director, 770-392-7328 or laurapotts@raviniaclub.com.

Spa Wellness....Did you Know?

Skin damage is cumulative. Translation…the more unprotected sun exposure you get the higher your cancer risks become regardless of skin color. Wear sunblock regardless if you are spending a day at the beach or driving to and from work in the hot summer sun. The Spa at Ravinia offers a variety of sunscreens best suited for your skin type and needs.

New Product Feature: A.G.E Interrupter by SkinCeuticals!
Save $10.00
Fight age at its root: glycation. Intrinsic aging, caused by internal factors such as hormonal shifts and metabolic slowdown, contributes greatly to skin sagging, creping, thinning, and cracking. While glucose is a vital cellular fuel, glycation causes unmetabolized glucose to stick to collagen and elastin, resulting in fibers that become rigid and less elastic. Fight glycation with our A.G.E moisturizer.

Sign up to be on the Spa at Ravinia’s email list and receive special promotions and savings on treatments and retail.

On Sundays and Mondays when the Spa is closed, appointments may be booked by calling the Athletics Desk at 770-392-7301.
