FROM THE MEMBERSHIP DEPARTMENT

Greetings Ravinia Club Members!

What a great start to 2010!

In our first quarter, we enrolled almost 100 new members! I am sure some of you have noticed quite a few new faces around and I encourage you to introduce yourself and make a new friend! I would also like to extend a warm welcome to our newest members from the Ashford Club. Forty members chose to transfer their membership to the Ravinia Club, and we are so happy you are here.

So many Ashford Club members who were not familiar with our Club told me they were impressed that we offered not only business and social events, but athletics too. You know, we really are the best kept secret in Dunwoody. And if you are like me, then you know we can't be kept a secret! We have too much to offer the business professionals and residents in the area.

A wise person told me that part of the private club experience is inviting your friends and family to join. You may request a formal invitation any time for a friend or colleague whom you feel fits our Club's membership profile and would enjoy being a member of the Ravinia Club. Simply provide me with his/her contact information and I will gladly introduce myself and invite them to tour the club. I can offer a one week trial membership to experience the athletics or even invite them to enjoy TGIF. Those are the best ways to see all that we have to offer!

As we come into the summer months, I can see no better place for your family and friends to be than here at the Ravinia Club. We have everything you need, be it working towards a fitness goal for a fabulous vacation or visiting the club for our Cinco de Mayo party! If you have any questions about sponsoring a member, please do not hesitate to let me know. I am here to serve!

Best Regards,

Lauren McJenkin
