After 18-holes of regulation play the LPGA and PGA Tour teams were tied at 19-under-par. The playoff format for the Wendy's 3Tour Challenge dictates that each tied team selects one player from their respective squads to represent their Tour in a one hole playoff on Hole No. 18. If there is still a tie after the first hole, the one hole playoff on Hole No. 18 will be repeated with different players from each Tour until a winning team has been determined. Kerr and Watney each parred the first playoff hole. Day and Lewis were next up with Day making a five foot birdie putt for the win after Lewis missed her eight foot birdie attempt.
