Dear Members & Guests

Providing our Members, Guests and employees a safe and sanitary environment is our #1 priority.

During this unprecedented event we are now taking extra precautions with our employees, members, guest, and vendor's to implement additional measures recommended by the CDC along with our state and local health agencies.

As a Club we are doing the following:

- Our housekeeping staff has implemented an extra level of cleaning of all hard surfaces with products being used by hospitals to kill the coronavirus.
- Our employees have increased their daily cleaning frequency of all surfaces that members and guests come in contact with.
- We have provided hand sanitation stations in the pro shop and at The Turn.
- We removed all bunker rakes and asking anyone who has to hit a bunker shot to "move their ball to a clean flat spot as near as possible to where their ball first came to rest."

- Golf staff is wiping down the steering wheel of each golf cart in between use as well as the sand canisters
- Golfers are to leave the flagstick in while putting and avoid all contact with the stick. Our staff wipes down the flagsticks daily. We have reversed the cups as well to make removing your golf balls easier and safer
- We removed all water coolers on the course and at The Turn.
- We covered all ball washers: Do not use the ball washers
- Our kitchen staff is wearing gloves at all times while preparing food, as well our employees are washing their hands every 30 minutes and using hand sanitizer regularly throughout the day.
- We are telling any employee who does not feel well to not come to work.
- **Gym:** There is a three person limit in the gym at all times, limit your workout to 1-hour. Only go to the gym if you are not exhibiting any symptoms. We ask that you wipe

Walking Policy Change & Cup Arrangement on the Greens Update

Walking: (Members and their Guests Playing with them) We are continuing to look at our operation to determine other steps we can take to keep the coronavirus at bay.

As of Saturday, March 21, we will allow All Members (Golf, Premier, Athletic & Social) and their guests (playing with them) the choice to walk seven days a week. You and your guests will still be responsible to pay the appropriate cart fee and guest fees where applicable. (Golf and Premier Members who choose to walk Friday, Saturday, Sunday and holidays before 4 p.m. will be charged the \$19 cart fee).

If you are planning on walking be advised we do not have rental pushcarts so please bring your own. Everyone must check into the golf shop before play.

Cup Arrangement on the Greens:

As of Saturday, March 21, the cups on the greens will be reversed. This will allow the ball to go into the cup but only fall half way down making it easier to remove your ball without touching the cup.

The pools were scheduled to open April 1, however in following with the governor's mandate of three people or fewer for gatherings we are going to **delay the opening of the pools** until we receive further guidance from our elected officials.

The good news is we will keep the pools open longer in the fall to make up for any lost days.
