Dear Members

To say that April has been different is an understatement. We know that everyone has been affected in some way by the Coronavirus and our hearts go out to everyone and we hope that you are all safe and healthy. We appreciate all of your efforts to keep safe at the golf course and tennis courts by practicing 6' feet of social distancing at all times.

We also are happy to see so many members walking and appreciate your understanding with the single rider carts. As a reminder please do not shuttle fellow golfers from one hole to the next. *Take-Out Dinners* have been going very well and we hope you have enjoyed them with your family. As a reminder you can

ONLY ride in a cart with a family member who LIVES in the same household as you. Please take advantage of the hand sanitizers provided for you before you enter the golf shop, in the golf shop and at the turn. Wash your hands every time you touch a surface and please do not come to the golf course or tennis courts if you have any symptoms.

Be safe and keep the faith.
