Thank You!

We would like to thank all of the tennis and pickleball members for their patience over the past few months as the tennis courts were under construction. To the captains of our USTA and CALTA teams you've been incredible during this time. You've had to put in extra work to get your players where and when they needed to be for their matches. We know that in some cases you have had to play home league matches at Park West, stagger match start times and have had limited availability. Also, a special thanks goes out to Jamie Miller who booked us courts at Park West.

Thanks again,
The Tennis & Pickleball Staff

Clay Courts

Now that courts 3-6 have been completed this is just a friendly reminder to sweep and line the clay courts after you play on them so that they are ready for the group that is following you. If you need assistance on how to do this please text Jack at 843-345-2995.

*May contain ingredients that are raw or under cooked. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food borne illness.

Congrats!
