# Summer Tennis Camps

**Please note that this is a Tennis Camp not the KE Camp.**

Week of June 9—Week of July 28

*\*No camp the week of July 4.*

Monday – Friday ● 9AM-12PM

\$175/camper/week

*Camp is limited to 20 campers per week.*

Ages 5-12

It is our goal each week to provide a safe and fun environment for your child or children to learn the game of tennis. They will learn the rules and strokes through a variety of games promised to keep their attention. We will be using low compression balls and shorter courts to help speed up the learning process. Also, as part of the camp, the campers will go to the pool each day for the last half hour of the day to cool off. If it rains and we cannot have camp for that day, then a credit will be issued to your account. Special events include water gun Wednesdays, prizes, report cards, and a pizza party on Fridays. Things for your camper to bring: tennis racquet, sunscreen, bathing suit, water bottle, and snack.

To sign up your junior for tennis camp if you have a tennis account already set up simply log into your account and click on <Activities> then <Junior Programs>.

If you have friends that would like for their kids to attend, please forward this email to them. In order to create an account please click here and click <Customer Sign Up> to create an account. Please set up your kids as a secondary on your account. The system will ask for a credit card during the sign-up process. Once you have created an account just follow the above instructions on how to find the camps.

If you have any questions regarding camps, please text Jack at 843-345-2995.

## Tennis/ Pickleball App

For those of you that use your mobile phones to make reservations or to sign up for clinics or events, you now can download an app designed specifically for your phones. Simply go to the App Store for iPhone or the Play Store for Android users, and search for the Dunes West Athletic Club app. You want to download the app that says **Dunes West RacquetDesk, LLC.**

Once you have downloaded the app you can use your current username and password

to log in. If you use face recognition or fingerprint scan you will now be able to use that in the future to log in. Simply click on the smiley face just under <Forgot Password> and it will ask you which method that you want to use. As with anything new there will be a learning curve with this app.

If you need assistance with this process please text Jack at 843-345-2995.
