

# River Strand Golf and Country Club Neighborhood Watch

## COMMITTEE MEETING NOTES

Wednesday, December 17, 2014

1. Add street lights throughout the community;

Meeting Note: Schedule Street light review with NHW committee member after first of January.

2. Addition of lights to Pt. Harbor;

Meeting Note: County denied petition to install lights. Members requested to know the reason why the petition was denied.

3. Insurance meeting review;

Meeting Note: Additional insurance event scheduled for January 19<sup>th</sup>. Information to be e-blasted to the members before Christmas.

4. Future educational events;

Meeting Note: Matt with ICON is working with the Manatee County Fire Prevention group to schedule an event at the end of February or beginning of March.

5. Install swipe lock on satellite pools;

Meeting Note: We are working with Envera to get the cost of installing these readers.

6. Transponders – some not attached to vehicles;

Meeting Note: Our new procedure is that a staff member must install the transponder. Members asked what is being done about existing transponders that are not attached to cars. Need to start a process to identify all vehicles

that do not have transponders attached and make them get attached or replace with license plate transponders. It was also noted that unattached transponders are the same as the swipe card system we eliminated for security purposes. **UPDATE:** Currently there is no procedure in place to handle these transponders. We welcome any suggestions on how to combat this.

7. New items;

**Meeting Notes:**

- Members asked about golf cart registration procedures and how many carts were registered in River Strand. **UPDATE:** Currently there are 41 golf carts registered in River Strand and 12 golf cart transponders issued. We will include a section in the January newsletter reminding residents to register their carts.
- Member asked about having a flag pole at the entrance. This is something that will be installed, but there is no specific timeline or location decided yet.

8. Set next meeting

**Meeting Note:** Next NHW meeting scheduled for Wednesday, January 14<sup>th</sup> at 3:00PM.
