## **\*\*RIVER STRAND MEN'S GOLF LEAGUE\*\***

The official start of the 2018-2019 River Strand Men's League is Wednesday, November 7<sup>th</sup> 2019. The River Strand Men's League is one of the biggest and best in the area with year round participation and a full calendar of events. Our goal is to conduct golf tournaments that are fun, competitive, and fair to all participants.

#### **\*\***Association Membership\*\*

All equity and transfer members are welcome to play on Men's Day. The association membership fee is \$45 and will be collected at the start of the Men's League season. Your membership fee includes your annual **GHIN** handicap fee, **Hole-in-One Insurance** (which pays \$250 for any hole-in-one made during a RS Men's League event), Player-of-the-year awards & the "RINGER" event.

We encourage you to register to play on Wednesday Men's Day as soon as possible, invitation into each week's event will be sent out one week in advance through Golf Genius (FSGA's Tournament software). In order to be eligible, you must be a league member with a valid handicap here at River Strand GC. If you have a current handicap that can be validated from your club back home, we can allow you to participate immediately. If not, you must establish one here and will be permitted to play once you have posted 5 round.

The attached calendar of events specifies the game that will be played and how the groups will be paired. As most of you know, having a current and accurate handicap is critical in maintaining the integrity of our events.

# \*\*Handicapping\*\*<u>All rounds played at River</u> <u>Strand should be posted,including any nine-hole</u> <u>rounds played.</u>

*Tournament Score Policy:* The USGA Handicap System is based around the concept of a player's potential, and scores made in a tournament setting can provide a very good indication of such potential. One of the procedures

within the System deals with identifying players who have at least two exceptional tournament scores in their scoring record. An exceptional score is defined as a score with a differential of 3.0 or more below the player's current Handicap Index. Any round of golf where a player has more riding on the outcome of the round, compared to a casual game of golf, would qualify as significant event and thus if the players score meets the aforementioned criteria it shall be posted as a tournament score. For example: Men's Day, in season, the total purse is typically over \$600 dollars. This would qualify as a significant event. All handicaps are subject to review prior to any golf tournament. The Men's Golf Committee will post all tournament scores played in club events.

*Tournament Handicap Allowances:*Handicap allowances will change from week to week to the appropriate percentage for that day's game in accordance with the <u>USGA's Handicap Allowance Guidelines (see section 9-4 USGA Handicap Manual)</u>

*Player of the year:*(POY) points are awarded for each event played. Both individual and team events count towards POY Points. First place in your weekly flight = 3 pts, Second place in your weekly flight = 2 pts, Third place in your weekly flight = 3 pts. (Match play event= 2 points for winning a round with bonus 3pts for winning your flight.)

Have fun and again, welcome back! Men's Golf Committee
