The residents of River Strand
are cordially invited to participate in

The SECOND Annual River Strand Spring Walkabout

Saturday, April 1, 2017

starting at 4:30 in the afternoon

The Spring Walkabout is a progressive party where you will have the opportunity to share appetizers and desserts with your neighbors at three different homes with three different groups of people.

There's no cost. You need only make appetizers or desserts for one home and bring along your preferred beverage. We expect to need at least 30 host homes and we'd appreciate it if you volunteered to host one 90-minute session, but it's not required to participate.

Register Now: Deadline is March 10 for all registrations.

Send registrations to: Stan & Patti Zimmer using email at
