## **Format**

Play will be from the white tees for men & red tees for women. The 18 players will be broken into 2 nine-somes consisting of the 9 lowest handicaps & the 9 highest handicaps. The low handicap group will tee off first. Every 2 holes the player with the highest net total in each group will be eliminated. Ties will be decided by a chip or putt off. The 2 eliminated players will skip a hole & join each other to finish the round as a twosome in an attempt to win skins. The hole they skip will be given the same score, in relation to par, that they make on the 18<sup>th</sup> hole (finish strong).

The remaining 2 players in each group after 14 holes will then join up & play the last 4 holes together. Their net 4-hole total will determine the top 4 positions (chip off if needed).
