

NORTH BELLINGHAM'S 2022/23 FROSTBITE LEAGUE

Wednesday, October 5th – Saturday, March 4th

Battle the elements, win prize money, & earn points for the \$6,000 Finale & a Huge Skins Pot!

Costs

\$15.00 PLUS GREEN FEES (OPTIONAL \$15 SKINS)

MAJORS WILL HAVE SEPARATE ENTRIES & COSTS.

Until Daylight Savings (11/6) we will still be running an individual stroke play competition on Wed & Sat. Starting 11/6 we will switch to the formats below.

Weekly Format (Sun-Sat)

There will be a weekly competition similar to our Wednesday League, the only difference is you can play on any day of the week from Sun-Sat. Odds are there will be different course set ups & different weather for each day so choose wisely if you can. At the end of each week we will figure out the results. If you play bad and you want to try again you can buy back in once but it will cost you double for all games. On some days the weekly & weekend competitions may overlap but you can only play in one at a time. Play will be mostly from the white tees but may vary. Seniors 60+ can move up a set of tees but will lose handicap strokes & not be eligible for the gross payout.

Weekend Formats (Play Sat or Sun, Tees Will Vary)

Each weekend we will have a different format which will be posted at least 1 week in advance. You can compete on either day (except for the majors) as the tees & pins should be the same for both days.

\$6,000 Frostbite League Finale & Huge Skins Pot!

Our FBL Finale will be a combination of 2 events including a 2 person best ball & individual stroke play (\$3,000 payout ea.). To be eligible for the event you must be a North Bellingham Member. Entry fee will be based on points list position! There will be at least \$500 in added cash to the Skins Pot! Skins will be individual only & cost will be based on points list position.

Earnings Points

Players will earn 100 participation points for each competition played.

Players will only get to use 3 clubs for this one (driver, putter, and an iron of your choice) however, you will have the **OPTION** of using your arm to throw the ball once inside of 100 yards on each hole (must be off the green). This will count as a stroke of course & you must release the ball before stepping past where it lied.
