

North Bellingham's 2018/19 Frostbite League

Saturday, October 6th – Saturday, March 2nd

Battle the elements, win prize money, & earn points to qualify for the Six Thousand Dollar Shoot-Out.

Weekly Event Costs

Weekday Format - \$10.00 plus green fees (optional \$10 skins)

Weekend Format - \$15.00 plus green fees (optional \$15 skins)

Majors will have separate entries & costs.

Weekly Format (Sun-Sat, White Tees)

There will be a weekly competition similar to our Wednesday League, the only difference is you can play on any day of the week from Sun-Sat. Odds are there will be different course set ups & different weather for each day so choose wisely if you can. At the end of each week we will figure out the results. If you play bad and you want to try again you can buy back in once but it will cost you double for all games. On some days the weekly & weekend competitions may overlap but you can only play in one at a time. Seniors 60+ can move up to the gold tees but will lose handicap strokes & not be eligible for the gross payout.

Weekend Formats (Play Sat or Sun, Tees Will Vary)

Each weekend we will have a different format which will be posted at least 1 week in advance. You can compete on either Saturday or Sunday (except for the majors) as the tee markers & pin placements should be the same for both days.

Thousand Dollar KP Contest!

Every time you pay your \$5 to enter the \$10K Ace on #16 during a FBL competition you will get your name put in a drawing for the Thousand Dollar KP Contest on #16. Ten different names will get drawn at the end of the Frostbite League. Each player will get 1 shot on hole #16 at 6pm on Sunday, March 10th for \$1,000 in KP Prizes (1st-\$500, 2nd-\$300, 3rd-\$200). Payout will be in merchandise credit.

Earnings Points

Players will earn 100 participation points for playing in each competition. February will be considered the playoffs & players will also earn a point per dollar earned in each competition.

Players will earn 3 points per dollar earned for all Frostbite League Majors.

The Top 18 available on the points list will qualify for the FBL Finale Six Thousand Dollar Shoot Out on March 2nd.
