

MEN'S CLUB

Match Play Championship

Qualifying during the Month of May

Cost: \$35.00* + 18 Hole Green Fee. Pay before your round and notify the golf shop you are qualifying. *If you think your score is not good enough to qualify you may try to re-qualify as many times as you wish but the fee goes up \$10 each time & is added to the payout. Qualifying must be done with another member of NBGC to verify score.

When: Qualifying runs through the month of May. You may qualify on any day at anytime during this period as long as you play with another member of the Men's Club to attest your card. Matches must be completed by the end of the following months:

1st Round: June **Quarter Finals:** July

Semi-Finals: August **Finals:** September

Championship Flight Final is 36 Holes. All other finals are 18.

Flights: Players must tell the Golf Shop, before they qualify, which of the flights below they are trying to qualify for and play the designated tees for that flight. Players may play in multiple flights if eligible.

Championship Flight

Top 8 gross qualifying scores. Players qualify and play matches on **Black tees.**

Net Flight

Top 16 net qualifying scores. Players qualify and play matches on **Blue tees.**

Senior Gross Flight (55 & Older)

Top 8 gross qualifying scores. Players qualify and play matches on **Blue tees.**

Senior Net Flight (55 & Older)

Top 8 net qualifying scores. Players qualify and play matches on **White tees.**

Payout: Each flight will have the following guaranteed payout:

1st - \$300

2nd - \$200

Semi-Final Losers - \$100ea.

Winners will also get their name engraved on our club championship plaques.

Rules: All matches will follow the USGA Rules of Golf for match play. Qualifying scores will determine your seed in your flight with the defending champions getting the first seed in each bracket. Last year's champions will still be required to pay a \$30 entry. Ties during qualifying will be decided by low handicap index & ties during matches will go extra holes. **If at the end of the designated time period any match has not been completed the pro shop will attempt to schedule the match. If unable to find a time to play within a week of the deadline the pro shop will award the win to the player that made the most effort to get the match in.** For net matches the player with the higher handicap in the match will receive 90% of the difference between their two handicaps.
