

NB LEAGUE 2021

NB League play is open to all North Bellingham Members who are interested in a little competition for some great prizes. We give out more great prizes for our competitions than most other golf clubs & with USGA Handicaps everyone is on a level playing field so why not compete. You'll probably make some new friends too!

When

Wed, Sat, & random other days from Mar 17th - Sept 19th.

Unless otherwise stated, you can play at any time of the day as long as you are playing with another member that can attest your card.

Format is Individual Stroke Play (as follows unless otherwise stated)

There will be 2 divisions (regular & senior, please let the pro shop know which you are playing in). The regular division will play the blue tees & the senior division (55+) will play the white tees with super seniors (65+) given the option to play the gold tees knowing they will lose strokes & be ineligible for the gross payout. Skins will be all gross by flight in the regular division & all net @ 50% hdcp in the senior division. If there are a 16 or more players in either division there will be multiple flights based on handicap index. Women will play the red tees.
