PGAJLG.com

The PGA Junior League at North Bellingham GC is open to boys & girls ages 8-16. The league will run from mid May through mid July and include a scheduled practice & match most weeks. The \$225 entry fee will include PGA Professional instruction for all practices and matches. We encourage our team members to work on their games outside of regular practice & match times therefore will offer highly discounted rates on all afternoons during the season of \$1 for a small buckets of balls & \$5 for 9 holes when accompanied by an adult.
