Format

Teams will play a 3-Person Scramble from the Black Tees with the following requirements: Each team must have a minimum combined handicap index of 10.0 or higher to be eligible. **Each team member must count 6 tee shots & 6 second shots. Prior to the tournament start each team member must also designate 1 tee shot & 1 second shot on each nine.** On the designated shots the designee is the only one that hits. If your age is 60 or older you can play the Blue Tees but you will lose handicap strokes based on section 3-5 of the USGA Handicap Manual. Women can play the White Tees. Teams will get 1/4 of their combined handicaps for net scoring. Groups will play in 6-somes to make for a fun & social atmosphere & because the format allows for it.
