## Bardmoor Golf Club – A Gary Koch Redesign The Crown Jewel of the Florida Golf Trail

The Florida Golf Trail is the most exciting multi-club membership program in the state of Florida. It is a value added no additional cost reciprocal membership program whereby a member of The Bayou Club for example is automatically eligible to play for a reciprocal member rate at twelve (12) other clubs, eight (8) others of which are located in the state of Florida. One (1) club in Bradenton, five (5) clubs are located in Tampa/Clearwater, two (2) clubs in Melbourne/Palm Bay. Our course architects include Arnold Palmer, Gary Player, Tom Fazio, Joe Lee, Ron Garl, Ted McAnlis, and Ted Robinson. The list reads like a “Who’s Who of Golf Course Architecture”. For more in-depth information about the Florida Golf Trail, please visit our Florida Golf Trail website at [www.floridagolftrail.com](http://www.floridagolftrail.com).
