

## ACADEMY GOALS

---

Training players for success in tennis creates a framework for success in school, work, and throughout life.

Positive energy brings positive results.

Detailed development of technique provides the necessary backbone for any player to reach his or her full potential.

### DIRECTOR: **JOHN KRATZKE**

John has directed programs for both junior and adult players for more than 20 years. His background in biomechanics & sports physiology is vital to maximizing efficiency and preventing injury for our players.

### HIDDEN CREEK PROS: **CAMERON ROSS AND TAMMY REEHER**

All of our pros have a passion for tennis that excites young tennis players and makes them want to learn the game! We love to see players develop sound fundamentals that lead to competitive success, but most of all, we strive to see them love their time on the court!

## MASTERS JUNIOR TENNIS PROGRAMS

John Kratzke directs the Masters program to develop tennis players striving for success in high school and tournament play. Players improve technique, movement, decision-making, and point production as pros consistently reinforce goals through a variety of drills and match play situations. Tryouts are required prior to admission. Makeup classes will only be permitted when outdoor courts are playable. Each class is limited to 16 players.
