

## 20 Reasons Why You Should Become A Bayou Member

### 1. Great Golf

At The Bayou Club you'll enjoy a classic layout that's always fun to play! Our shot maker's course challenges you in every way possible while still providing the fun that's so lacking on many of the modern, monster courses. Our 18-Hole, par 72 championship golf course was designed by Tom Fazio. Accomplished golfers and beginners will find the layout of our bermuda grass course challenging and exciting.

The course is well laid out with wide, generous well defined fairways guarded by bunkers and large oak, palm and pine trees. The course features a variety of doglegs and each hole is unique. With generous landing areas comes well guarded greens which places a premium on quality approach shots. This is a golf course that keeps your attention throughout ... a classic layout that demands tremendous strategy throughout. Featuring four sets of tees, The Bayou is truly playable and enjoyable for players of every skill level from tour professionals to beginners.

### 2. Superb Conditioning

Our course is one of the finest groomed layouts in the greater Tampa area. The greens, fairways, and tees are immaculately conditioned. Bayou is renowned for its meticulously landscaped trees and greens, where beautiful plants and flowers adorn each hole. Tall oak, pine and palm trees line the twisting fairways and provide a picturesque backdrop for every round of golf. Tom Fazio designed the course to thrill the golfer, while preserving the habitat and natural beauty of the area. His design purposely protected the delicate ecological balance of the wetlands that come into play throughout the golf course.
