Course Etiquette Reminders

Spring/Summer is here! The weather is great and the courses are full. With so many golfers playing, I thought it would be a good idea to throw out a couple of reminders about course etiquette. I won't cover everything- but here are a few interesting things to think about:

Cart Path Only means.... (wait for it)..... **Cart Path Only.** Trust me, no one wants it to be 'cart path only'.... It dampens the mood of the members and it slows down play. What's most important to understand is that we are trying to keep the turf healthy and keep carts from rutting up areas, especially just off the cart path! Be mindful. **Cart path only also means not pulling OFF THE PATH when you get to the tee or green.** Please keep the carts on the path when the conditions are wet.

Out of Bounds. Fortunately, there's not too much OB that comes into play at RiverTowne. Mostly, O.B. is the boundary between the course and homeowners. That means if you hit it OB, your ball is no longer on course property! If you can reach over and get the ball with your club, no worries, but **please refrain from walking into home owners backyards** and definitely, under no circumstances should you hit out of someone's backyard! Be courteous, I think we'd all agree that we wouldn't want anyone doing something like that in our own backyard.

Ball Marks. Fix 1 or 2 ball marks on every green. Didn't hit the green in regulation? No worries, fix a ball mark as you are waiting your turn to putt. Can't find your ball mark? No worries, find another and fix it! The golfers behind you will find and fix yours if they follow the same logic. If we take a couple of seconds, and fix a couple of ball marks, the greens will be better the next time you play. The end.

Play Faster! Play ready golf. When possible, walk to your ball so you are prepared to hit, rather than continuing to sit in the cart. If someone is looking for their ball, hit and then help... Small moments of hitting 'out of turn' in order to help the pace of play will go a long way to making golf more enjoyable for everyone on the course. We're not on tour- and most often you are playing with friends. Play ready golf! You'll thank me.

Now go PLAY GOLF!
