## PUT YOUR BEST SWING ON THE NEXT ONE!

One of the most important things I ever learned in golf came from the women I married.

Before meeting JM, I had played golf for over 20 years the same way most all of us play golf.... That is to swing, fix swing, fix swing, fix swing, etc... As soon as I hit a poor shot, I would try to correct poor shot... Mostly, I played "military golf" once I got into the "fix it" mode(left,right,left,right,left...). Jeanne-Marie Busuttill (my wife who goes by JM now) began taking lessons from me in 1996. She was the best player at UF and the #1 women collegiate golfer on the east coast at the time. I was super impressed with her impact and didn't want to make any suggestions until I knew more about her game. Her swing wasn't picture perfect, but her impact and ball control was outrageous!!!!

I asked her a question:

"What changes do you make if you hit a shot left?" Her answer helped me change my concept of learning golf!!!! While I was expecting an answer that had a mechanical adjustment, here is what she said:

**"I simply put my best swing on the next one....."**

Wow! That's powerful. Stop fixing your swing! **Keep intending to do what you want to do!!!!** It changed my life as a golfer.....

Love at first swing?

Equally impressed with the play of JM and Ty. 87 birdies between the 2 of them over 180 holes.... Awesome golf! I'll get details as to total amounts raised through RiverTowne as soon as I can.

### Note to the Membership:

This email is a message in regards to  
future plans to **OVER-SEED** the golf course  
this Fall.

Rivertowne CC Plans will be **CLOSED**  
**Monday, 9/24 - Tuesday, 9/25**  
to complete this procedure.

After the seed application, course  
conditions will be Cart Path Only for a brief  
period. Favorable weather may expedite  
this process. However, it may take as long  
as a few weeks depending upon certain  
factors until conditions return to normal.  
Please be patient as it takes time to water  
in the seed and allow the new grass to  
germinate and grow out.

Thank you for your understanding.

### **Note From the Pro: USGA Beta Penalty Zone Period OVER**

As instructed by the USGA, all previous  
2018 rules will return into effect.

**The Penalty Zone Beta Testing Period  
is now OVER.**

Feedback will be provided to the USGA for  
future consideration regarding this ruling.

Thanks for your participation.
