2016 Dunes Cup

The 24th Annual Dunes Cup was held last month with the East securing the trophy! This event is our club's version of the "Ryder Cup" that pits two teams split by the Dakota Dunes Boulevard and where they live.

Rob Schuey was captain for the East and led his Team to their fourth consecutive victory. The match was all squared at 10-10 after day 1. Day 2 East came out hitting on all cylinders and never looked back on their way to a 22-18 victory over West!

East Team Roster (captioned with picture)

Chuck Burnett, Jim Oliver, Ray Hollingsworth, Dan McManus, Joe Richter, Steve Scollard, Earl Miller, Ron Bond, Craig Manker, Steve Bull, Askar Qalbani, Bill Adams, Mark Wetz, Mark Brown, Roger Svec, Michael Persuad, Ryan Schwabe, Josh Wisner and Brian Haak. Team East was led by Captain Rob Schuey

Dear Members

Now that we are transitioning to fall and the dry, hot summer is behind us, the golf course has been fantastic. With the cooler temperatures and more rain, the golf course has greened up substantially and the superb playability has remained. Overall the golf maintenance staff has provided us with excellent golf course conditions this year. The colder chill of winter is right around the corner, so let's get as much golf in now while the time is right.

The patio has been a big hit this summer even though the weather has been very hot. Now that the fall is upon us and temperatures are dropping, I expect the traffic and activity on the patio to increase. Stop by and have a refreshing drink with your friends. There is no place more special than the patio overlooking the eighteenth fairway and the Missouri River. The servers are doing great with the new upgrades to the bar and hopefully this has made a significant impact on your enjoyment of the patio.

It's never too early to start thinking about the holidays. If your business has a holiday party every year, consider bringing it to the club. We would love for you to be able to show off your club to your staff. No matter how big the event, we have the perfect space for you. Contact Jim and Dawn to book your event now before all of the dates are gone.

And, if finding the perfect holiday gift is always a challenge, come see Justin and Jeff in the Golf Shop. They will be able to help you find that perfect gift for your significant other. We have a great selection of merchandise in the shop and if we don't carry it, Justin and Jeff will be able to place a special order for you to get that special gift for someone special.

I would like to encourage all members to tell a friend or a neighbor about your experiences here at the club. The best source for new memberships at any private club is always from existing members. If you know someone who might be interested, let me know so we can get them out to the club and experience this wonderful facility. Why not have your friends and neighbors enjoy all that this club has to offer with you?

I am very proud to be your General Manager. If you would like to chat about anything, please stop by the club and see me or send me an email. I'm here for you.

Don't look now, but September has arrived. Where did the summer go? It's hard to believe but we are heading into the last busy month of the golf calendar. Be on the lookout as there are still many things happening around the club. The big plus is that the weather is superb this time of year. The hottest and most humid days are behind us and the evenings are perfect to come out and enjoy some time on the course.

In the month of September, we have some great events that will be taking place including our Men's Fall League starting on the 13th of September, running until October 4th. Also on September 10th we will be having our couple's twilight event which there are still some remaining spots available. For the ladies we will have our ladies guest night which will be on the 14th of September and last but not least the Couples Casino night on the 24th of September, come out and test your luck at some of your favorite casino games!! Please call the golf shop to sign your team up for the upcoming events (605)-232-3080.

Also, don't miss out on the discounts and sales found in the Golf Shop for clubs and apparel. More importantly the golf shop IS LOADED with new fall clothing for Men and Women including Travis Matthew, Dunning some Husker and Hawkeye gear for the up-coming season. Remember to utilize your member discounts, credit book dollars, and gift certificates to find some excellent deals which expire on December 1st! The Golf Shop has an abundance of quality merchandise on sale and new apparel for the coming cooler months.

Here's to Fairways & Greens!

Aerification – Course
Closed

On Tuesday, September 6th and Wednesday, September 7th, the golf course and driving range will be closed due to golf course aerification. We apologize for any inconvenience and appreciate your understanding on this matter. We ask that you please do not use the golf course as the maintenance crews will be busy trying to get everything done and cleaned up for the membership to play again on Thursday, September 8th.

JIM TIECK

Food & Beverage Director

I am very pleased to introduce our newest team member at your Club. Dawn Watkins is your new Events Coordinator. Dawn is replacing Tiffany Hanson, who has decided to take a position with another company. Dawn has many years of experience in customer service with focus mostly in the food business. She will be coordinating all sales and banquets, both with Club members and the public sector.

So, stop into the office and introduce yourself to Dawn and welcome her to our club!

We hope you enjoyed your Summer at the Club! We're really excited for our Fall Events Schedule. Make sure to not miss your Wine Tasting on Saturday, October 8th. We will also be offering our members Chef Dusty's Chef Tables and monthly cooking classes.

Oh Yeah! September also means baseball playoffs and football. So with nicer weather this would be a perfect time to grab a few friends and enjoy the patio for lunch or dinner and take advantage of some food and beverage specials.

Coming in October we will be introducing our new menu! Tuesday October 4th will be the day so mark your calendars!

Several members have talked to me over the summer and offered their suggestions on how to improve our food service. I sincerely appreciate this input and welcome all members to speak with me if they have any concerns or suggestions. We are here to please you.

Thank you

Jim Tieck

Fall Festival at Dakota Dunes Country Club

We are back with the 3rd Annual Dakota Dunes Chili Cook Off.

Do you have the best chili around? Let's put your chili to the test!

From 4:45pm to 5:45pm, you will serve your chili to Festival participants and judges before the winners are announced at 6:00pm! There will be a People's Choice (\$30), 1st (\$50), 2nd (\$25) and 3rd (\$10) place prize.

Official Rules:

- 1. Contestants must submit one or more entries including the Recipe Card.**
- 2. Contestants must arrive 30 minutes ahead of time (4:15pm) to register and set up display.**
- 3. Chili is to be brought "ready-to-eat". Contestants must provide a minimum of four (4) quarts of chili per entry. Contestants are responsible for providing their own ladle and crock pot or warmer and maintain the proper temperature for serving.**
- 4. Each contestant must stay with their chili display and serve samples to Festival participants. Garnishes are allowed, but must be provided by the contestant and kept at proper temperature.**
- 5. Self killed game meat (i.e. pheasant, deer, elk) is not allowed in Chili.**
- 6. Each contestant will be assigned a "contestant's number". Judging will be done based on scorecards from a panel of judges and attendants of the festival.**

Questions? Please call Brandi at DD Community Association (605) 232-1819.

Golf Course Superintendent

Cool nights and warm days in August are just what the turf and Dakota Dunes ordered. We can see the color improve as the days go on just by having cooler nights. The greens aerification at this point appears to have been a great success. We in golf course maintenance had very few complaints as most hardly new anything had been done. We will continue to monitor the situation as the late summer progresses. Once we're convinced they are at one-hundred percent we'll pull core samples and have them tested for organic content. Based upon the test results, we will tweak our agronomic program as science dictates.

We have been working diligently to have the tee aerification complete by the 26th of August or so. If not by then, by the end of the next week. Our goal is to have the tees complete and fertilized prior to the Labor Day week of fairway cultivation. We like to fertilize tees and fairways prior to this process as experience has shown things recover quickly as we move into the fall season. As always we will do our best to clean up behind our world famous "quaking aspen". The cottonwoods have been "sluffing" leaves now for the past three weeks due to lack of moisture.

When time allows as we race to have the golf course as healthy as possible, we will be thinking about our business plans for the upcoming 2017 golf season. One issue on the forefront is going to be front line staff that are salaried. Starting December 1st, all salaried employees within a given range will be eligible for time and a half for hours on the job. In the golf course industry this is going to hit us hard as we live or die with these folks to get things done on the golf course. Our hope here in golf course maintenance is that someone at the big house in DC will wake up. As managers we will be playing "what if" to come up with business plans that are palatable to all parties and customers. As you know to be in this industry one has to be an eternal optimist which we are. See you out on the golf course for some of the best golfing weather yet to come!

CLOSURE NOTICE

Tuesday, Sept 6 & Wednesday, Sept 7
The golf course, driving range and Golf Shop will be closed due to golf course aerification.

We ask that you please do not use the golf course as the maintenance crews will be busy trying to get everything done and cleaned up for the membership to play again on Thursday, September 8th.
