THE HERON NEWS

JUNE 2018

WELCOME TO CAROLINA NATIONAL GOLF CLUB

BY: STEVE BEECROFT, PGA
GENERAL MANAGER

Summer is finally here! It has been a long and trying past 3 months and we appreciate everyone's support and understanding during these trying times. With each passing day, the courses have been rapidly improving. I'm sure Tom and his crew cannot wait to get back to the routine day to day activities and provide us with great playing surfaces thru the fall. The aerification of the putting green and the Ibis greens took place on May 23rd.

It was a necessity to get an early jump start on the recovery process. Bud White, APGM Agronomist, was on property May 17th and will return the first week of June. At that time we will definitely know the fate of Ibis 1 & 8, Heron 1 and the putting green. The optimist in us thinks that the maintenance Tom and his crew have performed on the greens, will allow for a full recovery without adding sprigs or sod. The fairways, tees & rough are coming in nicely and will receive a big kick of fertilizer mid-June. So if you see a big white truck on the courses, don't be alarmed it is just the fertilizer dispenser. The next phase after that will be to aerate the fairways, tees & rough. It is going to take quite an effort from Tom & the crew but I know that they are up to the challenge.

The Club tournament season has officially started with the Men's Member-Member conducted on May 17th thru the 19th. Unfortunately, rain canceled the golf on Saturday including the shoot-out. Congratulations to Murry Spruce & George Andrew for collecting the most points and becoming the Champions. Maybe we should put an * on the name plate? Just kidding! Be sure to check the calendar of events for the remaining Club & Golf Association's activities through the end of the year.

The first MRC meeting of 2018 is scheduled for Tuesday June 12th. Please email any questions or concerns to be added to the agenda to CNMRC@carolinanationalgolfclub.com.

AROUND THE CLUB

GOLF NEWS

May was an extremely busy month throughout the club. The warm weather they have been promising us has finally arrived and we couldn't be happier. There was quite a mixture of events throughout the club with a lot of great golf being played.

On May 10th, the Club 25 group which is composed of all women with handicap indexes all under 25.0 was held. It was a beautiful day and turnout. Congratulations to all of the Flight Winners and thank you to all golfers for participating.

Carolina Nationals was victorious in the I.G.A. Match vs. Rivers Edge on Monday, May 14th. The winning score was 33 points to 27 points. Congrats to team Carolina National!

We had a blast with 94 Ladybirds on Tuesday, May 15th. There were multiple winners from each flight ranging from low gross, low net and fewest putts!

Another month and another M.G.A. Super-Fun Day on Wednesday, May 23.! The format for this month was 30/40 balls with Team JUNK. Congratulations to all of our winners.

The Ladies had their first ever Super Fun Day on Thursday, May 24th. The format was 3 Net on Par 3's, 2 Net on Par 4's and 1 Net on Par 5's. Congrats to all of our Team Winners and we look forward to hosting more of these in the future!

GOLF NEWS

We had a blast with 94 Ladybirds on Tuesday, May 15th. There were multiple winners from each flight ranging from low gross, low net and fewest putts!

With the rain forecast everyday for the Men's Members-Member, we were able to get 3 of the 5 matches completed during the 3-day event. There were 5 flights with 6 teams in each flight. Each match was worth 9 points total. Congratulations to all of the flight winners and the overall Champions, Murray Spruce and George Andrew! We also had a fun contest of Closest to the Pin off of the back patio to Heron #9 during the dinner on Thursday night. Mr. Rick Klein was the winner with a distance of 9'11". Thanks to all who participated!

GOLF TIP OF THE MONTH

By: Jon Fackler, Assistant Golf Professional

HOW HIGH DO I TEE UP THE GOLF BALL??

After working the past two Demo Days with Callaway and PING, I noticed one quick and easy fix for most golfers to improve their driving accuracy and generate more distance.

A majority of players are teeing the ball too low for the newer drivers. The new 460cc driver head is massive and the sweet spot on the club is nearer to the top of the face. By teeing the ball too low, players tend to hit the ball at the bottom of the club face resulting in a low trajectory and increased back spin. Both of those create short shots with lots of spin.

The ideal ball flight is around 12-14 degree launch angle with less than 3200 rpm spin. By teeing the ball higher (Approx. $\frac{1}{2}$ to $\frac{3}{4}$ of the ball above the crown of the driver) you will create higher launch angle and produce less spin, thus creating longer drives!

Recommended Teeing Height

Driver: Golf ball equator level with top of driver (half to three quarters of the ball should be above the driver)

3-Wood: About half to a third of ball above the top of clubhead

Other Fairway Woods and Hybrids: About a quarter to a half inch of tee above ground

Long to Mid-Irons: About a quarter-inch of tee above ground

6-Iron and Shorter: Only the head of tee above ground

MERCHANDISE SPOTLIGHT

By: Ryan Nance, Assistant Golf Professional

Adidas Golf has made strides to provide everyone with top quality golf apparel and Women's clothing has definitely been upgraded in the new Adidas Ultimate 365 fabric. The Ultimate 365 fabric provides a soft comfortable feel, combined with 4-way stretch material makes it perfect for swinging a golf club. The shirt that you see here is equipped with Ultimate 365 fabric, and also provides 50 SPF for sun exposure!

The Adidas hat is equipped with 50 SPF and is relaxed fitted so it is more comfortable on the head and does not squeeze too tightly.

On the bottom we have our Women's Pull on Skort! With an elastic waist in the material, it provides comfort while at the same time adjustability to the hip region. This helps especially in our swings as we move.

Stop by the golf shop today and check out the new Adidas for Women and see how this new and improved fabric feels!
