

## **Fivesomes:**

Allowed Monday through Thursday for members only but must be approved by golf shop personnel before starting play and maintain the stated Pace of Play policy during the round. Fivesomes are not allowed on Fridays, Saturdays, Sundays, and Holidays. Any fivesomes failing to follow this procedure will be asked first to split up and if policy is still not adhered to the group will be asked to leave the golf course.

Belmont Lake Golf Club may consider eliminating this policy if adherence is repeatedly a problem amongst the membership.
