

## **Pace of Play:**

Belmont Lake Golf Club's stated Pace of Play for a foursome to play an 18-hole round of golf is **4 hours and 10 minutes**. The chart that is provided on all golf cars and below breaks down the Pace of Play per hole. All players are required to adhere to this Pace of Play. It is understood that occasionally players will fall off the Pace of Play guidelines, however it is expected that effort will be made to get back on pace and under all circumstances the total time for all 18 holes will not exceed **4 hours and 10 minutes**. Belmont Lake Golf Club Management will request players maintain this target pace of play and will first ask players to catch up if they fall behind the stated target time and secondly will be asked to skip a hole and or allow faster players to play through if they do not catch up to the Pace of Play guidelines in a reasonable period.

For the enjoyment of all players please be considerate and allow faster players to play through even if you are on pace to achieve the stated Pace of Play.
