Michelob Amateur Golf Tournament

Glen Oaks will once again host the Michelob Amateur Golf Tournament on June 9, 10 & 11, 2017. The local Budweiser distributor, will be sponsoring this event with proceeds going to Sipes Orchard Home. Tee times will be filling up quickly so you need to get your application in as soon as possible! We always have a great field of some of the best players in the area so find a partner and get your application in to insure your spot in this years tournament. Entry fee for Members is \$150.00 and \$180.00 for non-members. It is a great deal for three days of golf, meals, refreshments and a chance to win merchandise from our well stocked Pro Shop!

SWIMMING POOL NEWS

The swimming pool will open on May 27, 2017. The normal pool hours will be Monday through Saturday 12 noon until 6PM and 1 to 6PM on Sunday. The pool will close for the season Labor Day weekend in September. Guest passes are \$5.00 per day and can be purchased in the pro shop just like last year but there is a limit of 3 guests per day. The only change this year will be the price of pool parties. They will now cost \$100.00 for two hours starting at 6 as soon as the pool closes for regular hours and going until 8pm. You can call the business office to schedule your party! Come out for a day at the pool!

LATE FEES

A new policy will start with the invoices contained in the envelope with this newsletter. A 10% penalty will be charged on invoices that are 30 days late at the time of payment. For years dues were due on the 15th of the month but for 8 years now the invoices have been due on the 1st of the month. They are mailed so that you have 30 days to get your payment arranged an back to Glen Oaks. Most of our members are good about getting this done but some have been habitually late and not suffered any consequences. Thank you for your attention to this matter because we have bills we need to pay in a timely fashion also.

50 YEARS IN BUSINESS

Glen Oaks opened for business on April 27,1967. We have been trying to provide the best value for golf in the Catawba Valley from that day forth. We have come a long way from the original 9 holes with 16 carts to the beautiful 18 holes, 64 carts, driving range, pool and clubhouse that we have today. It has taken the hard work and dedication of many people along the way. We have had a ribbon cutting, an open house and a dance to celebrate so far but we will do some other things later in the year to continue our celebration. On a very sad note on May 31, 2017 we lost a very fine and dear lady Gwen McRee. She along with her husband Bill started Glen Oaks at the beginning. She had seen everything that had happened along the way. We will miss her warm smile and her always caring attitude toward what was going on here at Glen Oaks.
