## SAVING MONEY ON 2018 DUES!!!

Seven years ago we started an option of paying for the entire year up front by January 1st and saving yourself some money. We have found that this option works well for both you and Glen Oaks. With the dues increase for 2018 paying for the year up front can save you a considerable amount of money.. This year the totals will go as follows:

SINGLE MEMBERSHIP	\$1075.00	SAVING YOU \$125.00
FAMILY MEMBERSHIP	\$1225.00	SAVING YOU \$175.00
SOCIAL MEMBERSHIP	\$275.00	SAVING YOU \$ 25.00

This will allow you to write one check and know that your membership is taken care of for the whole year. You will still receive newsletters and tournament applications from time to time but no further invoices. If you normally pay quarterly but choose to pay annually just send the check back with the invoice you received marked for the quarterly amount and I will make the adjustment to the annual amount. If for some reason you would like to go back to paying the quarterly amount just write your check for either \$300.00 for a single membership or \$350.00 for a family membership plus CGA (\$20.00)or locker fees (\$25.00) that apply to your account.

We still feel that Glen Oaks is the best value for golf in the entire region. We have as nice of facilities as anyone in the area. We offer many of the same amenities of local country clubs at a fraction of their cost. We do not require you to pay any minimums either.

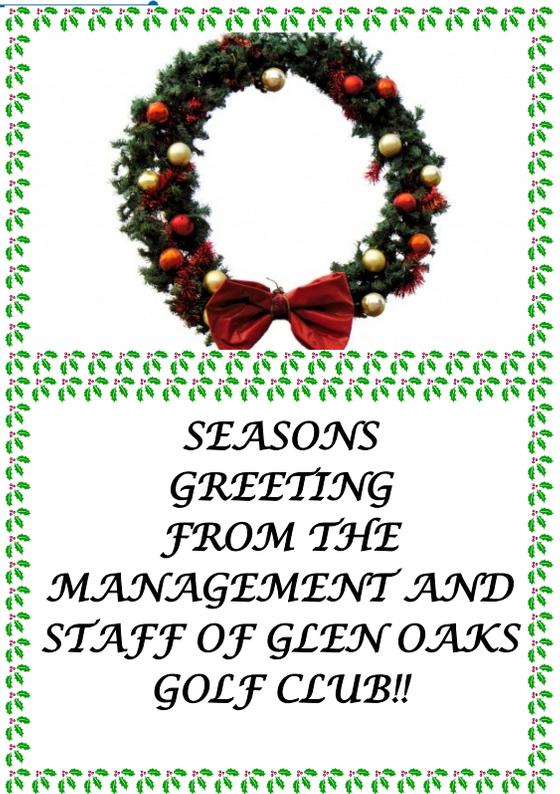

### Sunday Lunch at Glen Oaks

We will be serving Sunday Lunch again on December 10, 2017. This month we will be serving Ham, Chicken Casserole, Mashed Potatoes, Green Beans, Sweet Potato Casserole, Vegetable Casserole, Macaroni & Cheese, Cole Slaw, Rolls & lots of Desserts. We will start serving at 11:30 am and go until 2:30 pm. Also, Santa will be here that day for children young and old. We have had a good response to this once a month event since it was started back in October. Due to the response we are going to continue them into next year.

January	14
February	11
March	11
April	8

We hope you have enjoyed the food and fellowship you have experienced here over the last few months and will continue to come over the upcoming months. If we experience any bad weather during these future events we will notify you through facebook and on the website in advance if there is a cancellation. Again you do not have to be a member of Glen Oaks to attend our lunches so bring your friends and family.

### WHY WE RESTRICT CARTS TO THE PATH

During the winter months we restrict carts to the cart paths. After the first hard frost of the winter season the Bermuda grass in the fairways goes dormant and stops growing. If carts continue to drive on them on a daily basis our fairways would be down to the dirt by next spring when the warm weather will bring the grass back to life. By staying off of the fairways it leaves a cushion from which to hit your ball. If you have a physical condition that makes it difficult to walk to your ball the pro shop can issue you a handicap card or flag to be displayed on the front of your cart. This will allow you to use the 90 degree rule to go out into the fairway just far enough to hit your ball. Par 3's and several other holes (#4, #6, #9, #10 & #18) will still be restricted from cart use. Failure to follow the rules may result in loss of cart privileges.
