Mountain Branch is the golf facility that delivers a complete golf tournament and banquet experience: a challenging and satisfying design on a beautifully conditioned 18-hole golf course - and private climate controlled banquet space. The public golf course is a regional favorite.

Dubbed a “must play” by Washington Golf Monthly, the Washington Times and Mid-Atlantic Golfer, the course is conditioned on par with the best private country clubs. With engaging architecture featuring split fairways, rolling greens, rock and water features and breathtaking views, all the elements come together for an unforgettable day of golf.

Named after a natural tributary of the Chesapeake that traverses the property, Mountain Branch is located in Harford County just two miles from I-95. The golf course sits on 280 acres and is an architectural gem. Every hole is unique, each waiting to have a unique story told. There are settings reminiscent of Lahinch, as well as some true parkland beauties on the front nine. The restaurant was a newly built post and beam building constructed of three acres of Oregon's finest Douglas fir. Planning your wedding? Our heated and air conditioned tented ballroom sits on one of the highest points in Harford County, overlooking our Championship Golf Course. The breathtaking views of our golf course and beyond makes Mountain Branch a beautiful site for your special occasion!
