For golfers, the thrill of a lifetime awaits at Mahogany Run Golf Course - a Caribbean resort course rich in tropical foliage, exciting and challenging greens and spectacular vistas! The 14th hole of Mahogany Run – perched on a cliff 200 feet above a rocky inlet of the Atlantic Ocean and commanding an unlimited view of the sea and neighboring U.S. and British Virgin Islands – may well be one of the most photographed and among the most challenging of par-3 holes in the world.

Designed by George and Tom Fazio and opened in 1980, Mahogany Run has attracted thousands of visitors – golfers and non-golfers, [celebrities and Presidents alike](#) – to its challenging and exciting greens. Carved and blasted out of native Blue-Bit stone resulting in an area of land just less than 100 acres, [Golf Digest](#) proclaimed that its creation was more of an engineering marvel than an architectural one.

Despite its friendly length of just over 6,000 yards, Mahogany Run is a cunning challenge that yields par-70 grudgingly. Rising and falling over a gentle valley from 80 to 200 feet above sea level; players that exchange distance for accuracy will be richly rewarded. Open 7 days a week this resort course caters to devoted local clientele as well as to the daily or weekly (traveling) guest by offering premium new sets of TaylorMade rental golf clubs for men and women in addition to offering daily cruise-ship passenger and [weekly hotel](#) guest tournaments and several walk-in [golf clinics](#) for all levels of golfers.

Amenities include mens and ladies locker rooms with showers; driving range and practice green; an on course comfort station between holes 12 & 15; a top 100 award-winning [Pro Shop](#) also features name-brand resort sportswear, a large selection of logo'd hats, gloves, towels, golf balls; Tervis Tumblers and more. Coconuts Snack Shack located on the course is open daily, from 8am-4pm, along with *The Grille* restaurant, awarded Best Steaks on island 3 years in a row, open for lunch and dinner, Tuesday-Sunday 11am-9pm(reservations recommended).

For those golfers looking for a challenge with island flavor, this course is a dream come true. Greeted by a friendly and knowledgeable staff, one is treated to several elevated tees, narrow fairways and breathtaking down island views. There are plenty of photo opportunities of local wildlife, including migrating whales during the winter months, and, if you're lucky, you can try some traditional island fruit like genip, hog plum, mango, or sour sop – like the game of golf, timing is critical!

We look forward to WELCOME YOU and your foursome SOON!!
